John Malachowski reviewed the data comparing monthly paid premiums and monthly paid claims from January 2012 through November 2017. He noted the wide fluctuation that can occur in claims.

Mr. Malachowski provided a handout summarizing data provided by Health Alliance pertaining to discounts provided by the plan. He will use this information to compare to Blue Cross/Blue Shield for 2018.

Amy Foster commented that several members have asked why they are now being charged for prescriptions (which they used to get for \$0 with Health Alliance). Mr. Malachowski responded that BCBS does not have the same program. He suggested telling members to increase their Flex plans to accommodate this change.

Debbie Heiser reviewed the census numbers. According to Ms. Heiser, there was a 3% decrease in membership with the new plan.
