RE: Illinois Emergency Management Mutual Aid System Agreement (IEMMAS) Agreement and Resolution

The Champaign County Emergency Management Agency is requesting the County Board to approve a revised Illinois Emergency Management Mutual Aid System Agreement. The County Board had previously approved a similar agreement many years ago. The new agreement is a culmination of many aspects of the existing agreement becoming obsolete or no longer reflecting the way that mutual aid among jurisdictions is provided. This agreement is a critical part in our ability to request and provide support in the way of personnel, equipment, or facilities to one another while ensuring that we have the legal framework in place to do so.

The emergency management community in our State is a tightknit group of people who are willing to help one another. Many of our neighbors may not have all the resources to respond to or recover from an emergency or disaster all on their own. Not every disaster is going to reach the level of a State declaration, and we need to be able to call on each other for assistance when necessary. This formalized document promotes the sharing of people and resources across jurisdictional boundaries.

Please let me know if you have any questions.

RESOLUTION NO. 2026-217

A RESOLUTION AUTHORIZING PARTICIPATION AS A MEMBER IN THE ILLINOIS EMERGENCY MANAGEMENT MUTUAL AID SYSTEM RESPONSE PURSUANT TO AN INTERGOVERNMENTAL AGREEMENT FOR THE ESTABLISHMENT OF A MUTUAL AID INTERGOVERNMENTAL SERVICE AGREEMENT

WHEREAS, the Champaign County Board has long since, pursuant to Ordinance, established an Emergency Management Agency within Champaign County pertaining to appropriate functions in the case of an emergency; and

WHEREAS, it is recognized that at any given time emergency situations may occur that are beyond the capabilities of the Champaign County Emergency Management Agency to deal effectively within terms of personnel, equipment and material resources; and

WHEREAS, in adopting the Illinois Emergency Management Mutual Aid System Intergovernmental Service Agreement the County of Champaign, as one of the Members thereof, hereby expresses its intent to assist a nearby member jurisdiction by assigning as appropriate some of its personnel, equipment or material resources to the requesting member jurisdiction as situations allow; and

WHEREAS, said Service Agreement is authorized by the Illinois Emergency Management Act, Section 3305/13 and pursuant to the Ordinances of the Champaign County Board allowing for participating in various mutual aid agreements; and

WHEREAS, it is in the best interests of the Champaign County Board to provide as much assistance as possible to the residents of Champaign County and other Members of said Mutual Aid Service Agreement;

NOW, THEREFORE, BE IT RESOLVED by the Champaign County Board as follows:

<u>Section 1:</u> That the above and foregoing recitals are incorporated as findings of fact in this Resolution.

<u>Section 2:</u> That the County of Champaign, a political body, may participate as a Member of the Illinois Emergency Management Mutual Aid System pursuant to that certain Mutual Aid Intergovernmental Service Agreement which is attached to this resolution hereto and incorporated herein and identified as "Exhibit A".

<u>Section 3:</u> That the Champaign County Executive is hereby authorized to execute this agreement on behalf of the Champaign County Board.

PRESENTED, ADOPTED, APPROVED, AND RECORDED this 20th day of August, A.D. 2026.

Nothing herein shall operate to bar any recovery of funds from any third party, local, state, or federal agency under any existing statutes, or other authority. Each Aiding Unit is responsible for the compensation of its Emergency Responders providing Mutual Aid, equipment expenses, Emergency Services, and for any additional costs incurred to ensure its jurisdiction has adequate resources during the rendering of Mutual Aid.

Day-to-day Mutual Aid should remain free of charge because the administrative requirements of reimbursement make it infeasible to charge for day-to-day Mutual Aid. However, the following exceptions may apply:

1. Third Party Reimbursement. – Expenses for Emergency Services recovered from third parties shall be proportionally distributed to all participating Units by the Unit recovering such payment from a third party. The Unit responsible for seeking payment from a third party shall provide timely notice to Aiding Units of a date by which submission of a request for reimbursement must be received. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the incident by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the Aid provided that may be recoverable. The Unit recovering payment from a third party shall notify Aiding Units that such payment has been made, and such Unit will reimburse the other Aiding Units. If the third party payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.
2. Intrastate Emergency Management Agency Tasking. Expenses recovered related to a response to an Emergency or Disaster at the request of The Illinois Emergency Management Agency and Office of Homeland Security (IEMA-OHS) or other State or federal authority shall be based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the aid that may be recoverable. The Unit recovering payment from the State or Federal Government shall notify Aiding Units that

such payment has been made, and such Unit will reimburse the other Aiding Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.

3. Interstate Emergency Management Assistance Compact ("EMAC") Response - Expenses recovered related to a response to an Emergency or Disaster at the request of another emergency management agency or the authority of another state government pursuant to an EMAC response. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the aid that may be recoverable. If these payments are not made directly to the participating Units, the Unit recovering payment from another state or emergency management agency shall notify Aiding Units that such payment has been made, and such Unit will reimburse the other Aiding Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.

SECTION FIVE

Insurance

Each Party shall procure and maintain, at its sole and exclusive expense, insurance coverage, including comprehensive liability, personal injury, property damage, workers' compensation, auto, and, if applicable, watercraft, aircraft, or drone liability. The obligations of this Section may be satisfied by a Party's membership in a self-insurance pool, a self-insurance plan, or arrangement with an insurance provider approved by the jurisdiction. To the extent permitted by governing law, each Party agrees to waive subrogation rights it may acquire, and to require any insurer to waive subrogation rights they may acquire, by virtue of the payment of claims, suits, or other loss arising out of this Agreement, and shall, as to any insurer, obtain any endorsement necessary to effectuate such waiver of subrogation.

SECTION SIX

Jurisdiction Over Personnel, Equipment, and Assets

Emergency Management Staff, equipment, or other assets dispatched to aid a Requesting Unit pursuant to this Agreement shall, at all times, remain employees, agents, or equipment of the Aiding Unit, and are entitled to receive any benefits and compensation to which they may otherwise be entitled under the laws, regulations, or ordinances of the United States of America, their respective States, and their respective political subdivisions. This includes, but is not limited to, benefits for pension, relief, disability, death, and workers' compensation. If a person from an Aiding Unit is injured or killed while rendering assistance under this Agreement, benefits shall be afforded in the same manner and on the same terms as if the injury or death were sustained while the person from the Aiding Unit was rendering assistance for or within the Aiding Unit's own jurisdiction.

If, for any reason, an Aiding Unit determines that it cannot respond to a Requesting Unit, the Aiding Unit shall promptly notify the Requesting Unit of the Aiding Unit's inability to respond; however, failure to promptly notify the Requesting Party of such inability to respond shall not be deemed to be noncompliance with the terms of this Agreement and no liability may be assigned. No liability of any kind shall be attributed to or assumed by a Party, for failure or refusal to render aid, or for withdrawal of aid.

The obligations and duties set forth in this Section shall survive the end or termination of this Agreement.

SECTION SEVEN

Each Party hereto shall hold all other Parties hereto harmless for any liability or costs arising from the act of an employee or agent of another Party. Any Party responding under this Agreement to another state shall be considered agents of the Requesting Unit in the other state for tort liability and immunity purposes related to third-party claims to the extent permissible under the laws of both states. RE: **Budget Amendment for Squad Car**

Please find attached a budget amendment request for replacement of a patrol car. Insurance reimbursements for patrol vehicles involved in motor vehicle crashes this year have been deposited into the general fund. However, especially with projected budget cuts to equipment next year, it is important we use these funds to purchase a replacement patrol vehicle this year. This requires a budget amendment to get these funds moved into my budget.

Increased revenue: $68,324
Increased expense: $68,324

Please let me know if you have questions. As always, thank you for your continued support of me and my office.

RE: **Budget Amendment for Calendar Proceeds**

Each year we collaborate with an organization to distribute calendars throughout the County. This is at no cost to the Sheriff's office, and money is made by advertising on the calendar. The Sheriff's Office is provided some of proceeds to use toward initiatives such as employee appreciation and community engagement. This is not annually budgeted because the amount is unknown from year to year.

I respectfully request the County Board approve a budget amendment to have these funds, which were deposited into the general fund, transferred to our budget so we can use them.

RE: ARPA Reallocation Guidelines and Remaining Funding Status

Background

The ARPA (American Rescue Plan Act) funding is subject to the Department of Treasury's Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program rules. ARPA funds began disbursement in 2021, and required all funds to be obligated by December 31, 2024, expenditures to be complete by December 31, 2026, and administration/reporting to be complete by April 30, 2027.

Amendment and Replacement of ARPA Contracts and Subawards

Although the ARPA funds were obligated as of December 31, 2024, the Department of Treasury does permit amendment and replacement of ARPA contracts and subawards under certain circumstances. In short, **the replacement contract or subaward must be within substantially the same scope and for substantially the same purpose as the contract that was entered into by December 31, 2024.**

Below is more information from:

- The SLFRF Final Rule FAQ (https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-FAQ.pdf)

- The Obligation Interim Final Rule Quick Reference Guide (https://home.treasury.gov/system/files/136/Obligation_Interim_Final_Rule_Quick_Reference_Guide_2023.pdf)

"In general, recipients cannot re-obligate funds or obligate additional SLFRF funds after the obligation deadline of December 31, 2024. For instance, if a contractor makes a change order request after December 31, 2024, that necessitates a contract amendment, the recipient would not be permitted to obligate additional SLFRF funds to the project because the obligation deadline would have passed. However, after the obligation deadline, recipients are permitted to replace a contract or subaward that was entered into prior to December 31, 2024 under the following circumstances:

1. The recipient terminates the contract or subaward because of the contractor or subrecipient's default, the contractor or subrecipient goes out of business, or the recipient determines that the contractor or subrecipient will not be able to perform under the contract or carry out the subaward.

2. The recipient and contractor or subrecipient mutually agree to terminate the contract or subaward for convenience.

3. The recipient terminates the contract or subaward for convenience if the contract or subaward was not properly awarded (for example, if the contractor was not eligible to receive the contract), there is clear evidence that the contract or subaward was improper, the recipient documents the determination that it was not properly awarded, and the original contract or subaward was entered into by the recipient in good faith.

A contract will be considered made in good faith for purposes of clause (3) above if the parties followed standard procurement or subaward practices, as applicable, and the contract or subaward was not entered into for the purpose of evading the obligation deadline. A recipient that re-obligates funds to a new contractor or subrecipient after the obligation deadline will be considered to have used its funds to cover an obligation incurred prior to the obligation deadline if any of the three situations above is present and if the original contract or subaward being replaced was entered into by December 31, 2024.

If a recipient enters into a replacement contract or subaward, the recipient still must expend all funds by the expenditure deadline. Treasury will update the SLFRF Compliance and Reporting Guidance to provide a means for recipients to report any contract or subaward replacements after the December 31, 2024 obligation deadline. Recipients should maintain documentation to justify their determinations, which should include an analysis of the factors discussed above. Treasury may ask recipients to provide this information in their periodic reports."
