

Democratic Caucus County Board

Thursday April 23, 2026

Minutes

Meeting called to order at 17:52.

Members present: Locke, Lokshin, Hanauer-Friedman, Thorsland, Fortado, Wiggs, Pugh, Fava, Arres, Rodriguez.

Motion by Wiggs to approve agenda, second by Locke

Motion by Wiggs to approve minutes, second by Arres

Public participation, None.

Announcements: Eric announces that May 8th will be his last day on the Board. Elly informs us on the RIFL act advocacy day May 8th and there is a free bus at 9 am at Marketplace.

Discussion of Agenda: Tonight, will be two presentations. The Aquifer map results and the Financial forecast. Again, we will move communications until the end of the meeting. For ELUC we will vote on the Data Center moratorium case. Eric advocates for making the duration 123 months to allow the P and Z staff time to work out this complicated ordinance.

Policy has many appointments tonight as there was a nay vote from Brett P. on all of the items that removed them from the possibility of being on the consent agenda. Will ask that these folks get the unanimous vote they deserve in the meeting.

Finance has 2 BUAs on the docket for the evening. ARPA report is straightforward. And again, we have no report of purchases not following policy.

Justice has an agreement with Animal control and Gifford.

Adjourn at 18:22
