

IN THE CIRCUIT COURT OF THE SIXTH JUDICIAL CIRCUIT
CHAMPAIGN COUNTY, ILLINOIS

COUNTY ADMINISTRATIVE ORDER 2020-13

ADMINISTRATIVE AND CRIMINAL MATTERS

ADMINISTRATIVE MATTERS:

Should the Presiding Judge be unable or unwilling to perform his duties, Judge Roger Webber shall be acting-Presiding Judge. In the event that neither the Presiding Judge nor Judge Webber are able to perform such duties, Judge Jason Bohm shall be acting-Presiding Judge.

CRIMINAL MATTERS:

In order to reduce the number of times a defendant must appear at the courthouse (COVID precaution) as well as reduce the number of failures to appear in Court (due to possible confusion over multiple court dates), certain cases will be assigned as follows:

Where a defendant has a felony matter as well as misdemeanor and/or traffic matters (including DUIs), the misdemeanor and/or traffic matters will be set in court to track the felony matter. For defendants with felony and other matters in existence at the time of this Order, the misdemeanor and traffic matters may be reset to track the felony with the permission of the parties and the Court. If a matter to be transferred is a misdemeanor and is to be enhanced to a felony, the matter is to stay in its initial courtroom until the enhancement is complete (including arraignment and determination of preliminary hearing). Felony matters are not to track misdemeanor and traffic matters without permission of the Court. If all the matters are not resolved at the same time, the felony judge presiding over the matters has the discretion to re-allot the misdemeanor and traffic matters back to those courtrooms.

This Order is effective immediately.
