TO: Elly Hanauer-Friedman, Finance Committee Chairperson**FR: Sheriff Dustin D. Heuerman****DA: August 18, 2026****RE: Budget Amendment for Squad Car**

Please find attached a budget amendment request for replacement of a patrol car. Insurance reimbursements for patrol vehicles involved in motor vehicle crashes this year have been deposited into the general fund. However, especially with projected budget cuts to equipment next year, it is important we use these funds to purchase a replacement patrol vehicle this year. This requires a budget amendment to get these funds moved into my budget.

Increased revenue: \$45,075**Increased expense: \$45,075**

Please let me know if you have questions. As always, thank you for your continued support of me and my office.

Re: BUA for Brink's Contract

The County transitioned to Brink's for cash pick-up services in the last quarter of 2025. While the monthly transportation charges are fixed, the fuel surcharge and excess liability components are variable and have exceeded our original budget projections. Because the excess liability fees are tied to the fluctuating value of deposits being transported, we did not have a clear picture of these costs during budget development.

The total amount requested is **\$202,500** from the fund balance to cover the services provided to date and the estimated amount for the remainder of the year.

Due to the additional charges due to delays in the FY24 audit the budgeted funds for professional services are insufficient for FY2026.

Public Act 104-0553 / HB4537

Public Act 104-0553 significantly changes the back end of the Illinois property tax sale/tax deed process. The annual tax sale still occurs, but the law creates new procedures related to tax deeds, surplus equity, and the role of the County when tax certificates move toward deed.

The immediate question for Champaign County is whether the County Board should adopt a resolution allowing the County to acquire the real estate tax sale certificates and use the County Trustee process for the 2026 tax sale.

The working recommendation is for Champaign County to follow the path many Illinois counties are taking: have the County acquire the eligible real estate tax certificates and utilize Joseph E. Meyer & Associates as County Trustee/Tax Agent.

This would mean real estate certificates would not be sold to private tax buyers in the ordinary way for this tax sale cycle. Mobile home tax sales would continue separately and are not affected in the same way.

Why counties are considering this approach

Key factors include:

1. Alignment with other counties

JEM indicated that many Illinois counties are moving toward this approach, with several counties already passing or preparing similar resolutions.

2. Reduced administrative burden

Private tax buyer certificates may create additional work for the Sheriff, Treasurer, State's Attorney, and courts under the new judicial tax deed auction process.

3. Managing surplus equity risk

The new law responds to concerns that former owners may have rights to surplus equity after taxes, costs, liens, and other lawful deductions are accounted for.

4. More centralized administration

Using the Trustee/Tax Agent keeps the process more centralized and may reduce direct administrative burden on County offices.

5. Late-paying taxpayers may benefit

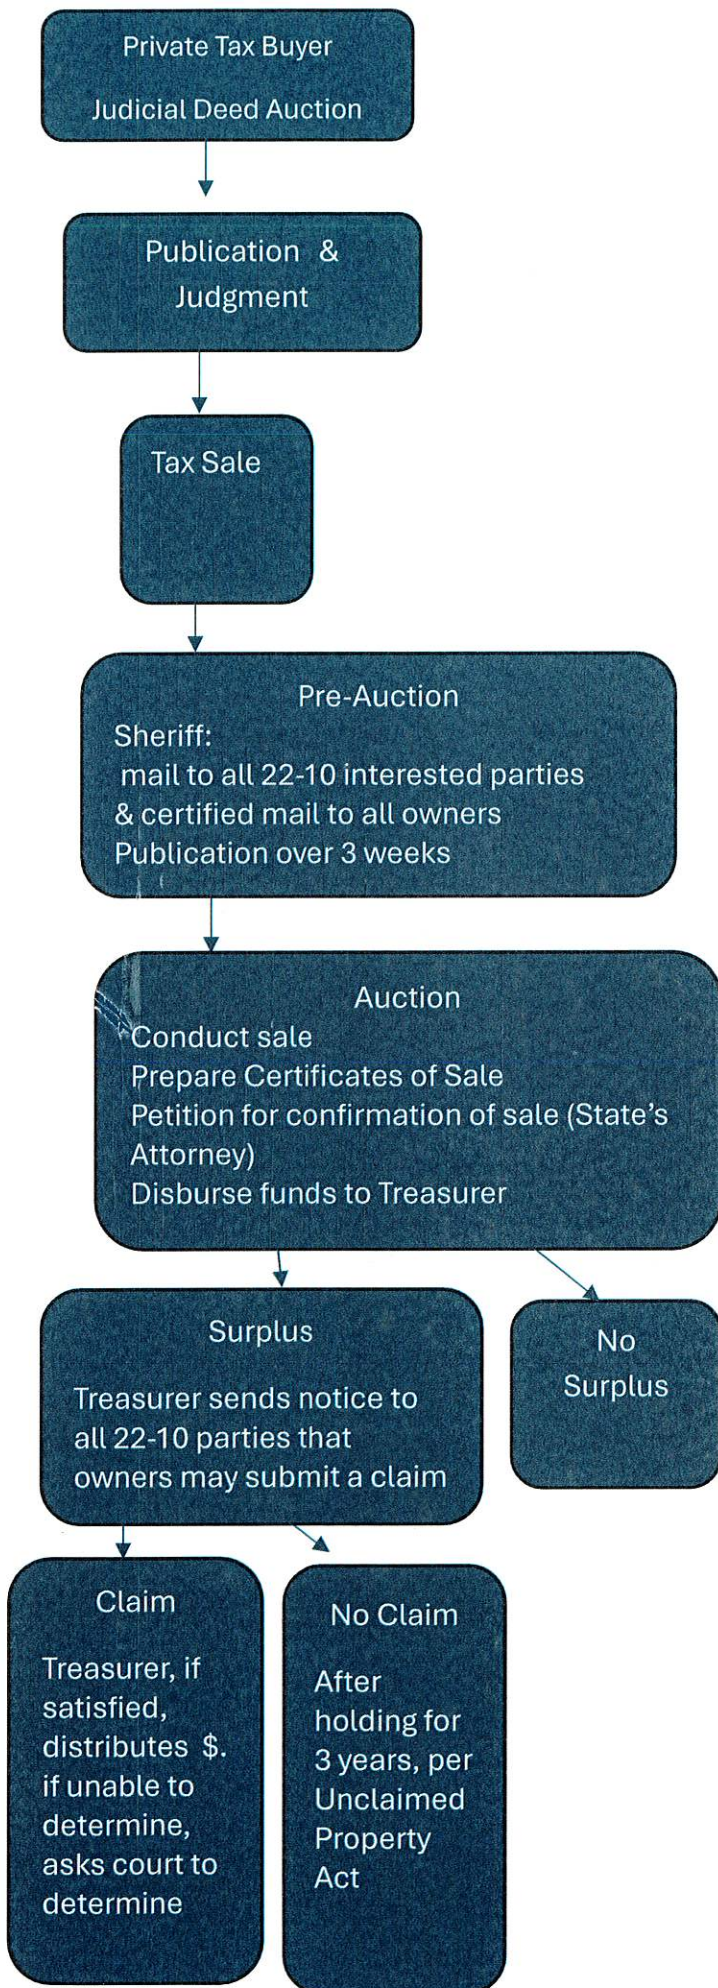

Depending on the County's weighted average tax sale bid, some taxpayers who redeem may pay less under the Trustee route than under private tax buyer penalties.

Timeline:

- September 15: County Board Committee of Whole meeting
- October 2: Certified-mail/publication process *begins (must have this to the publisher by this date)*
- October 2: Need Delinquent Tax List approved by County Board appointee for Publication deadline
- October 30: Tax Sale

Note:

Champaign County followed the law as it existed before. The issue now is that the law has changed, and the County needs to decide how to follow the new law in a way that is practical, defensible, and aligned with other Illinois counties.

**RESOLUTION AUTHORIZING THE COUNTY TO ACQUIRE ALL ELIGIBLE TAX
CERTIFICATES (REAL ESTATE) ON THE TAX YEAR 2025 PAYABLE 2026
DELINQUENT TAX LIST**

{DRAFT - CHAMPAIGN}

WHEREAS Public Act 104-0553 (House Bill 4537) was signed by the Governor of the State of Illinois on July 10, 2026; and

WHEREAS, Public Act 104-0553 (House Bill 4537) amends 35 ILCS 200/21-190 to provide that:

(b) In counties with fewer than 3,000,000 inhabitants, a county board may, in its discretion, submit to the collector a list of any properties for which an application for judgment has been made pursuant to Section 21-150 of this Code. The county's submission of this list shall be considered its offer to purchase the property or properties included on this list at the tax sale, pursuant to the county's authority in subsection (a) of Section 21-90....”

WHEREAS Public Act 104-0553 provides two paths for handling tax certificates,

- 1) a Judicial Tax Deed Auction under §22-42 for certificates held by private tax buyers, and
- 2) a Tax Deed Auction under §21-90 for certificates held by the County As Trustee For Taxing Districts. This section states in relevant part:

“The county, as trustee, may elect to acquire or sell tax delinquent property under either the provisions of this section or under sections 22-40 and 22-42 of this code. For any tax lien or certificate acquired by a county under this code, the county may take steps necessary to acquire title to the property, including a final overbid at the close of any public tax deed auction or judicial sale conveying title to property intended to be developed by a unit of local government.”
35 ILCS 200/21-90(d)

The §22-42 path imposes significant obligations and tasks on the Sheriff, Treasurer, and State’s Attorney that, under the §21-90 path, can be handled more efficiently by the County Tax Agent, without the additional costs or burden to the County or the Taxing Districts;

WHEREAS, based on historical data, approximately 95% certificates purchased by private tax buyers are ultimately redeemed, with the resulting redemption payments beginning shortly after the annual tax sale; and

WHEREAS, the administrative burden which could be created by private tax buyers upon the County Treasurer as well as Judges, and the State’s Attorney Office in processing and contesting attempts to obtain Sale In Error declarations would be significant; as well as the resulting

outflow of refunds, often with interest, of Sale In Error refunds would place significant burdens upon the County;

NOW, THEREFORE, BE IT RESOLVED that, pursuant to its authority under 35 ILCS 200/21-190(b) and 35 ILCS 200/21-90(a), the County will acquire all the tax certificates for all real estate properties on the Tax Year 2025 Payable 2026 Delinquent Property Tax List(s)

BE IT FURTHER RESOLVED, that the appropriate County officials are authorized and directed to provide the County Treasurer and County Trustee with all such lists and documentation as may be necessary to implement this Resolution.

BE IT FURTHER RESOLVED, that Champaign County hereby appoints and authorizes Joseph E. Meyer & Associates, Inc., as County Trustee and Tax Agent, to administer such tax certificates on behalf of the County and the taxing districts in accordance with the Illinois Property Tax Code and the County's existing trustee program

BE IT FURTHER RESOLVED, that this Resolution shall take effect immediately upon its adoption and shall remain in full force and effect until amended or rescinded by subsequent action of the Champaign County Board.

RESOLUTION 2026-

Amending the Professional Services Agreement with Joseph E. Meyer & Associates, Inc.

THIS AGREEMENT, made and entered into by and between the Champaign County Board, Illinois, hereinafter referred to as "County", and Joseph E. Meyer & Associates, Inc, hereinafter referred to as "Agent";

WITNESSETH:

WHEREAS, the parties have heretofore entered into a certain "PROFESSIONAL SERVICE AGREEMENT" dated April 22, 1998 (hereinafter, "the Agreement"), with all subsequent amendments, pursuant to the provisions of 35 ILCS 200/21-190 providing for the services of Agent in the collection of delinquent real estate taxes accruing under the Property Tax Code, i.e., 35 ILCS 200/1-1 et seq; and .

WHEREAS, County desires to undertake efforts to collect unpaid and delinquent Real Estate Taxes accruing under the provisions of 35 ILCS 515/1, et seq., together with the interest accruing thereon (hereinafter, "real estate taxes") which are due from the owners of real estate located within Champaign County, Illinois; and

WHEREAS, Agent is licensed by the State of Illinois to collect delinquent accounts including tax delinquencies of all kinds; and

WHEREAS, Agent desires to assist County, and County desires, pursuant to the provisions of Section 21-90 of the Property Tax Code, i.e., 35 ILCS 200/21-190, to obtain the assistance of Agent in the collection of delinquent real estate taxes

NOW THEREFORE, for and in consideration of the sum of TEN DOLLARS (\$10.00), and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows, to-wit:

1. The Agreement is hereby amended such that:
 - a. Agent is expressly authorized, in those cases deemed appropriate by Agent, to undertake and pursue collection actions against persons liable for payment of any delinquent tax on real estate; and

MEMORANDUM

TO: Jen Locke, Chair; and Honorable Members of the Champaign County Board
FROM: Michelle Jett, Director of Administration
DATE: September 1, 2026
RE: Broadband Marketing Proposal

At the time of writing of this memo \$15,875 remains on the Champaign County Farm Bureau contract. The scope and purpose of those funds include holding public meetings, discussions, electronic media communications, and easement/drainage resource, collaboration/coordination, volunteers.

At the writing of this memo \$63,371 remains allocated to Finley for consulting services. We anticipate another \$5,000-\$10,000 but it has not been received yet. The scope and purpose of these funds is to oversee the County's ARPA broadband investment and includes tasks such as pre-award broadband development activities, communications plan, monitor and review Grantee (i.e. Volo) funding requests, review final construction plans, perform field inspections, reporting/grant close-out/documentation.

To spend down the remaining ARPA funds allocated to broadband, it is proposed the above-mentioned allocations be shifted to be spent on the items listed below.

- Marketing coordinator contract and communications – spend up to \$15,000
- Promotion and billboards – spend up to \$10,000
- Printed materials and documentation – spend up to \$10,000
- Radio PSAs and public communications – spend up to \$10,000
- Social media marketing and communications – spend up to \$8,000
- Communications/notices/mailing to rural residents – spend up to \$30,000

As a last resort of spending, we can also designate an option for a General Fund reimbursement for County costs on broadband coordination – spend up to \$20,000

The Executive's Office can manage and execute the project but would prefer to begin immediately. Our next deadline would be to have a marketing coordinator hired by the September Board meeting.
