40 **DISCUSSION & APPROVAL OF NEW COUNTY BOARD RULES**

41
42 Weibel reviewed the changes/additions to the list of duties of the County Executive handed out
43 and discussed at the last meeting. Busey pointed out under 1 & 2, that the County Executive would retain
44 authority over appointed officials such as the County Engineer and the Director of Planning and Zoning,
45 with the exception of the appointed position of Supervisor of Assessments, if it becomes an elected office.
46 Weibel would check with the State's Attorney's office.
47

48 Busey understood that the County Executive would be responsible for the county's policies (#2);
49 not the County Board. Weibel clarified that the County Executive could present policies, but they must
50 be approved by the County Board.

51
52 Weibel and the committee members agreed that #7, regarding the removal or suspension of an
53 appointed official, should be more specific and needed clarification from the State's Attorney on the
54 hearing process and suspension.

55
56 The committee members agreed that clarification was needed on #8, regarding the method used
57 to deliver a 24-hour notice to board members when a special meeting is ordered by the County Executive.

58
59 The committee members needed State's Attorney clarification on #9, as to whether a non-board
60 member who is designated by the County Executive to preside over meetings in his/her absence, could
61 vote to break a tie.

62
63 Weibel pointed out that he added #14, weekly calendar preparation, notice to media, and board
64 members. This item came from the current list of duties of the County Board Chair. Petrie suggested that
65 the text regarding calendar postings should include language about posting to the website.

66
67 The committee members also discussed the use of a veto journal, which would list any ordinance,
68 resolution or motion not signed by the County Executive. The committee discussed the County Board
69 meeting recess period and possible effects on unapproved ordinances. Busey noted that the County
70 Executive could also veto an item listed on the Consent Agenda.

71
72 There were very minor changes to the list of duties of the County Board Chair. Weibel noted that
73 the committee structure could change. The committee discussed I., the appointment of a County Board
74 when a vacancy occurs. The County Board Chair currently makes the appointment with the advice and
75 consent of the County Board. The committee questioned if the County Executive would take over this
76 responsibility.

77
78 Weibel noted that he added a new section listing the County Board Chair's responsibilities for the
79 preparation of the County Board Agenda and County Board Consent Agenda.

80
81 **OTHER BUSINESS**
