

WEBVTT

00:08:38.639 --> 00:08:42.639

Hi, everybody. We have started the recording, but we're waiting

00:08:42.637 --> 00:08:47.637

We have a quorum of the board here, but we're waiting for the board chair.

00:08:48.365 --> 00:08:53.365

So, it'll be a couple more minutes. I just didn't want to keep the folks on the Zoom in suspense.

00:12:44.119 --> 00:12:46.119

Okay, we're gonna start the meeting

00:12:46.119 --> 00:12:50.426

Um, Dr. Fowler is gonna chair until Dr. Robin arrives.

00:12:53.578 --> 00:13:01.578

Okay, um, I'm gonna call to order and thank everyone who has, uh, braved this cold and wintry weather.

00:13:01.712 --> 00:13:07.712

to be here, and those who needed to join on Zoom, joining on Zoom.

00:13:07.924 --> 00:13:11.924

Um, it's wonderful to have both ways to participate these days.

00:13:12.888 --> 00:13:14.888

Um, roll call, please.

00:13:15.117 --> 00:13:17.117

Susan Fowler.

00:13:16.640 --> 00:13:18.640

Here.

00:13:18.640 --> 00:13:19.477

Neil Sharma.

00:13:19.476 --> 00:13:20.636

Here.

00:13:20.108 --> 00:13:22.108

Kim Fisher.

00:13:23.531 --> 00:13:27.531

Dr. Fisher is remote, so we will vote her in after the meeting starts.

00:13:27.690 --> 00:13:29.690

Diane Husby Gordon.

00:13:33.249 --> 00:13:35.249

Anne Robin.

00:13:37.044 --> 00:13:49.044

You can see Diane is here. Would you make a motion to allow her to participate virtually due to one of the... With him? Yeah. Um, I'd like to make a motion to allow...

00:13:49.043 --> 00:13:50.962

Um, Kim...

00:13:50.963 --> 00:13:53.236

Uh, Fisher to, um...

00:13:53.529 --> 00:13:57.529

participate, um, distantly based on...

00:13:58.014 --> 00:14:01.014

Um, inability to get here today.

00:14:02.453 --> 00:14:06.453

Work. Work inability, work interference to arrive here today.

00:14:07.367 --> 00:14:09.367

Um, uh, any, any second?

00:14:11.198 --> 00:14:13.198

Okay, any discussion?

00:14:14.057 --> 00:14:16.057

All those in favor? Aye.

00:14:16.493 --> 00:14:19.493

Hi. Kim, you're... you're with us. Thank you.

00:14:21.841 --> 00:14:25.841

Yeah. Um, let's move on to approval of the agenda.

00:14:25.752 --> 00:14:28.752

Any questions or concerns about the agenda?

00:14:30.861 --> 00:14:32.861

Motion to approve, hearing none.

00:14:34.535 --> 00:14:37.535

Oh, yeah, we can prove. Moves.

00:14:37.535 --> 00:14:37.973

Thanks, everybody.

00:14:38.010 --> 00:14:41.010

Second. Second. Okay. All those in favor?

00:14:41.028 --> 00:14:43.028

Aye. Okay.

00:14:43.748 --> 00:14:51.748

Uh, there's a schedule, yes. Um, I was pleased to see the draft schedule, which is, uh...

00:14:53.299 --> 00:14:57.299

Rroom, it's on page 3.

00:14:57.300 --> 00:15:02.061

Um, there are... there are 3 tentative dates and 1 off-cycle date.

00:15:02.061 --> 00:15:07.598

Which, um, are always placed on the agenda in the case that we need

00:15:08.285 --> 00:15:10.285

Extra time to review the proposals,

00:15:11.481 --> 00:15:13.481

come April. Um, and...

00:15:14.151 --> 00:15:18.151

In the event that we have other issues that come up, um, or have...

00:15:18.150 --> 00:15:21.512

potentially joint study sessions that need to be added.

00:15:23.369 --> 00:15:34.369

We could make the February 25th meeting a regular meeting and not tentative. We had a technical issue, which Kim Bowdry worked out this morning, so we can do the meeting, thanks to Kim.

00:15:34.532 --> 00:15:40.532

Okay, so, um, all those in favor of approving, um, the agenda,

00:15:41.166 --> 00:15:46.166

With the revision that February 25th is no longer tentative, but on the schedule,

00:15:46.869 --> 00:15:48.869

Um, um...

00:15:48.870 --> 00:15:49.861

Hi.

00:15:50.968 --> 00:15:52.968

I guess I need a motion.

00:15:52.968 --> 00:15:54.517

I'll make a motion. This is Kim.

00:15:54.516 --> 00:15:56.610

Thank you, Kim. We need a second.

00:15:57.185 --> 00:15:59.185

Second. All those in favor?

00:15:59.721 --> 00:16:01.721

Aye. Okay, great.

00:16:02.494 --> 00:16:04.494

Um, so moving from...

00:16:05.202 --> 00:16:10.202

The schedule, um, as you know, we always have the acronyms and glossary.

00:16:11.205 --> 00:16:13.205

So that if words confuse you,

00:16:13.206 --> 00:16:16.905

it's good to just do a quick look or ask.

00:16:18.515 --> 00:16:22.515

First day, I worked at the U.S. Department of Education, I came up with

00:16:22.102 --> 00:16:27.102

80 acronyms, and I was lost.

00:16:28.010 --> 00:16:32.010

Citizen input, public participation, do we have, um...

00:16:32.284 --> 00:16:37.284

any, um, citizen input, public participation at this time?

00:16:40.212 --> 00:16:42.212

Okay, seeing none...

00:16:42.234 --> 00:16:49.234

Let's move on. Chairperson comments? I'm not even gonna begin to try and take on Anne's comments.

00:16:50.197 --> 00:16:56.197

Um, uh, as, as an interim for the moment, I just want to say how thrilled I was to get this packet.

00:16:56.929 --> 00:16:59.929

in the mail, and to see all of the data.

00:17:00.108 --> 00:17:04.108

pie charts that were enclosed. Thank you, staff. That was just...

00:17:04.620 --> 00:17:07.620

Awesome. I know so much more now.

00:17:08.418 --> 00:17:12.418

Um, executive directors' comments. Lynn?

00:17:13.310 --> 00:17:20.310

I know that there are folks who have obligations today, so I don't want to go on and on and on. I certainly will during the meeting.

00:17:21.147 --> 00:17:23.147

But I do want to say, um, we have...

00:17:23.762 --> 00:17:32.762

We have been receiving audits and financial reviews. They were due at the end of December 30th, technically, but we still accept them on the 31st, and

00:17:32.748 --> 00:17:34.748

Um, they...

00:17:35.024 --> 00:17:37.024

What we're looking at...

00:17:37.792 --> 00:17:48.792

actually looks really good. Some of it is really good, and I can't remember a year like this. We just... Wow. It's been difficult for agencies even to accomplish that, for lots of reasons.

00:17:49.339 --> 00:17:52.339

Shortage of CPA firms, confusion about...

00:17:52.938 --> 00:17:55.938

Deadlines on the CPA firm's part. So, um...

00:17:55.938 --> 00:18:01.020

We have them, we've been taking some time to read and discuss. We have a...

00:18:01.151 --> 00:18:03.151

An independent CPA who...

00:18:03.813 --> 00:18:06.813

you know, consults on them. He's gone through them.

00:18:07.663 --> 00:18:14.663

So, it's been a really productive year, and I actually have had time to learn a lot more about the agencies, because there's stuff in the audits that's, like,

00:18:15.836 --> 00:18:17.836

kind of about how they manage, so that's sort of...

00:18:18.148 --> 00:18:25.148

bookends that memo at the end about, um, where funding comes from. I'm learning that...

00:18:25.148 --> 00:18:32.767

It's very complicated, and every agency is unique, and I'm appreciating people's patience with my questions, too, so...

00:18:33.637 --> 00:18:35.637

Um, that's been nice. DSC...

00:18:36.058 --> 00:18:44.058

submitted way before the deadline. We spent a lot of time talking about different things. It was super interesting. I now understand where the management fees come from.

00:18:44.073 --> 00:18:49.073

Which, at application time, I'm always asking that, but I'm ready now. So, anyway...

00:18:49.073 --> 00:18:53.930

Just to thank everyone for the excellent work, and for what looks like a really good year.

00:18:55.294 --> 00:18:57.294

Fabulous. Um...

00:18:58.183 --> 00:19:05.183

Then moving on to, uh, approval of the CCDDDB board minutes from November 19th.

00:19:05.183 --> 00:19:09.866

Um, actions required. Do I have a motion? Motion.

00:19:09.867 --> 00:19:11.636

Hi.

00:19:11.637 --> 00:19:12.326

Okay. Second?

00:19:12.735 --> 00:19:14.735

Uh, any discussion over the minutes?

00:19:16.113 --> 00:19:18.113

All right, um...

00:19:19.206 --> 00:19:22.206

All those in favor of approving the November 19th meeting?

00:19:22.784 --> 00:19:24.784

um, say aye. Aye. Aye.

00:19:25.416 --> 00:19:27.416

Great. Unanimous.

00:19:30.517 --> 00:19:36.517

Who moved and who seconded? Oh, sorry, Neil moved, and um...

00:19:37.128 --> 00:19:40.128

Diane? Okay. I seconded. Thank you. Uh-huh.

00:19:40.634 --> 00:19:45.634

Um, moving on then, we have vendor invoice lists.

00:19:46.177 --> 00:19:52.177

And I have a question there. We have pages 9 to 12, but I also had an email... Yeah. ...where I received

00:19:52.984 --> 00:19:54.984

vendor invoice lists and...

00:19:54.985 --> 00:19:59.565

Uh, the email was for November? Yes.

00:20:00.011 --> 00:20:04.011

And it's... is it the same? So, there's an addendum in the packet,

00:20:04.011 --> 00:20:10.190

And it... it's the same stuff, but with a little bit more information. We had... we, um...

00:20:11.503 --> 00:20:13.503

So we're in a moment where

00:20:13.789 --> 00:20:23.789

What we put in front of the public has to be ADA compliant, and what we receive through the many different online platforms that we use is far from compliant.

00:20:24.111 --> 00:20:26.111

But we didn't know exactly how

00:20:27.066 --> 00:20:30.066

Far from compliant, until we're trying to put it together, and...

00:20:30.066 --> 00:20:36.915

So we, you know, obviously, Chris understands a lot more about the information that he can draw down from the online system.

00:20:37.739 --> 00:20:42.739

And then we can format it to be prettier if you want to, but this is our starting point.

00:20:43.056 --> 00:20:51.056

We just... we missed something, so the addendum, which is posted online, and then there should be a paper copy of it at your table, I...

00:20:51.055 --> 00:20:53.570

Kim, thank you for going and getting these for folks.

00:20:54.519 --> 00:20:56.519

This is what we would ask you to approve, is that...

00:20:56.797 --> 00:20:59.797

the, um, complete vendor invoice list, and then...

00:21:00.143 --> 00:21:02.143

If you have ideas for...

00:21:02.143 --> 00:21:08.624

If you want it to be presented differently, this is something, you know, Chris and I can work on in the coming months, but...

00:21:09.515 --> 00:21:14.515

it's just, the important thing today is compliance with the ADA, um,

00:21:14.483 --> 00:21:16.483

But readability is...

00:21:17.223 --> 00:21:19.223

So, anyway, that's the long story.

00:21:20.183 --> 00:21:27.183

Um, I studied what was sent via email instead of going through the packet. I don't know if the rest of you did. Do you want to take a minute to look?

00:21:27.804 --> 00:21:29.804

at what's on your...

00:21:31.155 --> 00:21:33.155

on your table?

00:21:43.963 --> 00:21:45.963

Any questions for...

00:21:49.117 --> 00:21:51.117

Lynn or Chris?

00:21:51.117 --> 00:21:52.578

Uh, this is Kim. Susan?

00:21:52.664 --> 00:21:54.664

Hmm?

00:21:54.665 --> 00:21:56.964

I was just saying, this is Kim. I have a com... give us a comment.

00:21:56.965 --> 00:21:57.321

Yes. Do you have a question?

00:21:57.319 --> 00:21:59.032

Just comment.

00:21:59.033 --> 00:22:00.006

Okay. All right, um...

00:22:00.005 --> 00:22:02.017

Uh, just...

00:22:02.017 --> 00:22:02.028

Let's move to comments, and then we'll...

00:22:02.476 --> 00:22:04.476

Do we have to have a motion first?

00:22:04.476 --> 00:22:10.021

approve or not? Well, sure. Let's, um, do we have approval to just... to... do we have a motion to approve the minutes?

00:22:10.023 --> 00:22:12.623

Yeah, a motion to approve. We have a second.

00:22:13.455 --> 00:22:16.455

I'll second it. Okay. Now, comments. Go ahead.

00:22:16.554 --> 00:22:18.554

Kim?

00:22:18.616 --> 00:22:25.616

I just, um, I just want to commend... I spoke with Lynn on the phone earlier this week. I just want to commend the entire...

00:22:25.726 --> 00:22:32.726

DD, um, and mental health board staff for really being leaders in the county to make all of

00:22:33.559 --> 00:22:40.559

their information accessible digitally accessible, filing WCAG guidelines, and it's just very impressive, and

00:22:41.325 --> 00:22:43.325

I'm very, very grateful, um, and...

00:22:43.786 --> 00:22:53.786

Um, that's, I think, all I have to say. Oh, well, no, the other thing was, I think it's really because this system, the invoicing system, just reproduces reports, um,

00:22:55.878 --> 00:22:57.878

Mm-hmm.

00:22:57.878 --> 00:23:00.394

That are totally inaccessible to someone who might use a screen reader. The... I would encourage...

00:23:00.783 --> 00:23:05.783

The community, um, and, um, I don't know how the board staff would feel, but, like,

00:23:06.060 --> 00:23:13.060

through the procurement process of purchasing these very expensive software programs that spit out all kinds of reports,

..

00:23:13.060 --> 00:23:15.094

Particularly financial reports.

00:23:15.884 --> 00:23:23.884

Um, pushing those companies before we purchase the next, you know, round of, um, years of their

00:23:24.825 --> 00:23:28.825

Um, software... purchasing their software to use, we should probably...

00:23:28.825 --> 00:23:30.825

be demanding.

00:23:30.889 --> 00:23:35.889

They follow ADA compliance so that, you know, our staff doesn't have to spend hours and hours

00:23:36.496 --> 00:23:38.496

Doing work that they should have done in the beginning.

00:23:39.546 --> 00:23:43.546

I wholeheartedly support that, Kim, and I just remember

00:23:44.370 --> 00:23:48.370

back, um, 10, 15 years ago when I was on the Mental Health Board.

00:23:48.827 --> 00:23:53.827

The envoys were so incredibly difficult to read, and we spent so much time arguing about

00:23:53.983 --> 00:23:55.983

What was paid and what wasn't.

00:23:55.984 --> 00:23:58.773

This is so straightforward and simple that

00:23:59.155 --> 00:24:01.155

There's no concern.

00:24:01.319 --> 00:24:03.319

Uh, yes, please.

00:24:04.231 --> 00:24:06.231

Hey, Kim, this is Chris Wilson.

00:24:06.501 --> 00:24:12.501

Uh, the company that manufactures the ERP system that I use to make these reports,

00:24:13.042 --> 00:24:19.042

is called Tyler Technologies, and they are having a conference in Bloomington in the next couple months.

00:24:19.043 --> 00:24:23.906

And one of the sessions that they're going to be hosting is a roundtable

00:24:24.020 --> 00:24:26.020  
Um, and I plan on...

00:24:26.021 --> 00:24:32.067  
asking, um, if they have plans to make their reports ADA compliant at that roundtable.

00:24:33.216 --> 00:24:35.216  
Great.

00:24:35.216 --> 00:24:46.278  
Chris, awesome. Another example of how county staff is just tremendous, so thank you, Chris. If you need any testimony from us as board members, written testimony, um,

00:24:46.278 --> 00:24:48.313  
Be happy to write something up.

00:24:50.007 --> 00:24:52.007  
Couldn't hurt? Mm-hmm.

00:24:54.003 --> 00:24:56.003  
Okay, moving on to staff reports.

00:24:56.004 --> 00:24:58.008  
Go ahead.

00:24:58.603 --> 00:25:02.603  
Oh, sorry, call for the vote for approval of the envoys.

00:25:03.753 --> 00:25:07.753  
Motion to... It was already... it was already approved, so all those in favor?

00:25:07.934 --> 00:25:09.934  
Aye? Aye. Okay.

00:25:09.934 --> 00:25:11.948  
Thank you, Lynn.

00:25:12.656 --> 00:25:19.656  
Um, staff reports, you know, as usual, I'm overwhelmed by what the staff does, and so impressed.

00:25:19.671 --> 00:25:22.671  
Um, this is an opportunity, besides...

00:25:22.825 --> 00:25:28.825  
are thanking the staff to allow questions from board members. Are there any questions on the...

00:25:29.082 --> 00:25:31.082  
Staff reports.

00:25:37.475 --> 00:25:38.475  
Aye.

00:25:39.960 --> 00:25:41.960  
Uh, this Kim, can I...

00:25:41.961 --> 00:25:44.507  
Go ahead, Kim. Or comments.

00:25:44.506 --> 00:25:49.825  
Thank you. Um, yeah, just comments, just, again, to reiterate, thank you, everybody, for your reports.

00:25:50.672 --> 00:26:02.672  
Excellent information. Um, I know we have an agenda item later about the Disability Expo, but I read in Kim's report that, um,

00:26:03.501 --> 00:26:13.501  
The, uh, leaders of the steering committee have stepped down for the Disability Ask Expo, so, um, just thank them for their service. Um, and...

00:26:14.207 --> 00:26:20.207  
just, again, this very informative reports, um, from the staff, so thank you very much.

00:26:22.107 --> 00:26:24.107  
Any other comments or questions?

00:26:32.619 --> 00:26:34.619  
Okay, seeing none, I think we'll move on.

00:26:35.217 --> 00:26:40.217  
Um, to, uh, new business, which begins on

00:26:40.886 --> 00:26:45.886  
Page 25. I would like to hold the special election because

00:26:46.697 --> 00:26:52.697  
Um, our acting chair isn't here, we can have it if we... if possible, at the end of the meeting.

00:26:53.845 --> 00:26:58.845  
Um, I don't, you know, I think we can have it whether she's here or not, but I'd like to give her the opportunity.

00:26:59.733 --> 00:27:01.733  
to be present.

00:27:02.170 --> 00:27:04.170  
Is it okay to...

00:27:04.705 --> 00:27:08.705  
Hey, Stephanie! Yeah. Can we change the agenda in that way?

00:27:14.515 --> 00:27:16.515

Yeah, you can.

00:27:16.515 --> 00:27:20.007

Right. Okay, thank you. We won't forget. Thank you.

00:27:20.007 --> 00:27:25.038

All right, moving on then to Agency Special Request.

00:27:25.037 --> 00:27:29.037

Page 29 to 32.

00:27:30.759 --> 00:27:33.759

There was no reason to discuss the bylaws, was there? Okay.

00:27:34.568 --> 00:27:37.568

That was information. So we have a special request

00:27:37.689 --> 00:27:39.689

Um, from PACE,

00:27:40.426 --> 00:27:43.426

Uh, with a letter explaining, um,

00:27:43.545 --> 00:27:47.545

That the request is to seek payment

00:27:48.041 --> 00:27:52.041

for the, um, I believe January, February, March.

00:27:52.041 --> 00:27:57.268

Which was, um, withheld, uh, because the, uh,

00:27:58.368 --> 00:28:00.368

paint, uh, they did not have...

00:28:00.794 --> 00:28:05.794

Uh, their... their audit ready for the end of the year.

00:28:06.747 --> 00:28:10.747

Um, the reasons is stated in the letter. The Executive Director

00:28:11.417 --> 00:28:18.417

um, was ill and unable to keep up with the workload. Um, the executive director also said

00:28:19.007 --> 00:28:24.007

that the report would be ready at the latest by February 28th.

00:28:24.473 --> 00:28:27.473

So this is an opportunity for the board

00:28:28.225 --> 00:28:34.225

to, um... I guess we should make the motion and second it, and then discuss

00:28:34.225 --> 00:28:36.940  
the extent to which we can be flexible,

00:28:37.976 --> 00:28:39.976  
Um, two requests.

00:28:41.221 --> 00:28:46.221  
that indicate a clear deadline for completing it, and that have a reason

00:28:46.582 --> 00:28:49.582  
or rationale for not making the deadline.

00:28:50.260 --> 00:28:52.260  
Um,

00:28:52.702 --> 00:28:56.702  
Do I have a motion to either approve or disapprove

00:28:56.823 --> 00:28:58.823  
the PACE request?

00:28:58.994 --> 00:29:00.994  
From a board member.

00:29:00.994 --> 00:29:10.954  
This is Kim. Our motion to waive the suspension of payments on PACE  
Incorporated's program year 2026 contract due to late audit.

00:29:10.954 --> 00:29:13.789  
And to authorize CCDD

00:29:14.670 --> 00:29:18.670  
be staffed to release January, February, and March payments as scheduled.

00:29:20.005 --> 00:29:22.005  
Do we have the second? Second. Okay.

00:29:22.005 --> 00:29:24.311  
So, Kim and Neil have...

00:29:25.861 --> 00:29:27.861  
Moved and seconded.

00:29:27.864 --> 00:29:29.864  
discussion.

00:29:31.440 --> 00:29:33.440  
5 members of the board, any discussion?

00:29:34.360 --> 00:29:41.360  
No, I think it's important to be flexible, like, it sounds like it was a  
reasonable, um, excuse, and so we shouldn't penalize. Okay.

00:29:41.351 --> 00:29:43.351  
then let's move to the vote.

00:29:43.408 --> 00:29:45.408  
All those in favor?

00:29:46.507 --> 00:29:48.507  
I think we're gonna need a roll call.

00:29:48.506 --> 00:29:49.903  
There you go.

00:29:50.398 --> 00:29:52.398  
Placement of general.

00:29:54.226 --> 00:29:57.226  
I'm sorry. Please move to a roll call vote. Apologies.

00:29:58.375 --> 00:30:00.375  
Um, Neil Sharma.

00:30:00.728 --> 00:30:02.728  
Aye.

00:30:02.728 --> 00:30:03.901  
Kim Fisher.

00:30:04.698 --> 00:30:06.698  
Diane Husby Gordon.

00:30:06.291 --> 00:30:08.291  
Yes.

00:30:08.292 --> 00:30:08.982  
Susan Fowler.

00:30:08.981 --> 00:30:10.424  
Yes.

00:30:11.776 --> 00:30:14.776  
Okay, great. Moving on to...

00:30:14.932 --> 00:30:17.932  
Expo activities for 2026.

00:30:17.932 --> 00:30:22.678  
Which is the decision memo beginning on page 33.

00:30:23.697 --> 00:30:26.697  
Um, hopefully everyone has had a chance.

00:30:27.450 --> 00:30:29.450  
to read what has happened, um,

00:30:29.995 --> 00:30:31.995  
with the expo, um...

00:30:32.914 --> 00:30:37.914  
I don't think I need to describe the memo. If you've read it.

00:30:38.740 --> 00:30:43.740  
Um, we know that there are several factors that are impacting the Expo.

00:30:44.645 --> 00:30:48.645  
Um, the revenue cost, the unexpected, um,

00:30:49.274 --> 00:30:55.274  
resignation, um, the amount of time demanded to put together the expo,

00:30:56.071 --> 00:31:01.071  
And the recommendation... recommendation to distribute, continue to distribute,

00:31:02.081 --> 00:31:04.081  
The resource book, updating it.

00:31:05.261 --> 00:31:09.261  
Um, and to have a steady year. So the decision...

00:31:09.516 --> 00:31:11.516  
motion, if, um...

00:31:11.907 --> 00:31:19.907  
If we're ready to make that motion, we can then have discussion. Motion to move in to second. Who would like to make the motion?

00:31:21.545 --> 00:31:25.545  
Okay, a motion to move. Okay, Neil's making the motion. Do we need to read it?

00:31:26.611 --> 00:31:35.611  
Neil, do you mind? Motion to direct CCDDDB, CCMHB staff to form an advisory committee to plan and carry out

00:31:36.409 --> 00:31:38.409  
Disability Resource Expo activities.

00:31:39.278 --> 00:31:47.278  
Which may include an in-person event, and to authorize the Executive Director to pay for related services and products using approved, budgeted funds.

00:31:48.009 --> 00:31:50.009  
Okay, a second.

00:31:50.010 --> 00:31:51.135  
Yes.

00:31:54.414 --> 00:31:58.414

Kim has seconded, or...? I am. Okay. All right. Uh, discussion.

00:32:01.115 --> 00:32:07.115

Please. Okay. Um, it was very hard for me to figure out exactly what to ask the board.

00:32:07.115 --> 00:32:11.382

Because this happened kind of... it was a little bit unexpected.

00:32:11.725 --> 00:32:16.725

But I think looking back, we understood that this could happen.

00:32:17.041 --> 00:32:34.041

the people, the coordinators who were doing the lion's share of the work are not able to continue. There are certain members of this big steering committee who are very active and had some ideas, and wanted to start, you know, a smaller committee and maybe take a year off from the in-person.

00:32:34.041 --> 00:32:42.337

There's... I'm not close to that, because we've budgeted for all this stuff. We certainly don't have to spend all the money that's budgeted. There's...

00:32:42.334 --> 00:32:47.334

No reason to do that. It might be very difficult to collect a lot of sponsorship revenues.

00:32:48.287 --> 00:32:52.287

During a year like this, so it might be nice just to bring it all down a little bit.

00:32:52.287 --> 00:32:58.051

Um, the... that subset of steering committee members had a lot of really good ideas,

00:32:58.051 --> 00:33:03.330

And so I guess what I'm... you know, I just kind of wanted the boards, who have not been able to

00:33:04.025 --> 00:33:15.025

say, for something like 20 years, if they even wanted to have an expo... to have an opportunity to give us some guidance, and this is... so this is just sort of a... a motion and inviting that, and...

00:33:15.025 --> 00:33:21.475

There is a meeting scheduled for today, the Mental Health Board was okay with this, so if you all are okay with this.

00:33:21.633 --> 00:33:26.633

that group can start to meet and talk, and they have talked about things like surveying

00:33:26.983 --> 00:33:30.983

providers who tend to be at the expo to understand what

00:33:30.983 --> 00:33:38.423

what they like and don't like, and, you know, where we're at in this moment in the community, and also to maybe ask community members what

00:33:38.985 --> 00:33:40.985

they think is important. So, um...

00:33:41.151 --> 00:33:45.151

I just... I thought, like, I was surprised at the productive...

00:33:45.846 --> 00:33:53.846

tone of that conversation, but I don't know what we can do without those people who work on it every day, and who are super organized, and they...

00:33:54.350 --> 00:34:01.350

They did have a plan to provide a year-end report to us, but they're not being paid anymore, so...

00:34:01.995 --> 00:34:07.995

they didn't do it, and I think under the circumstances, I'm okay with that, but we could ask them if there's information

00:34:08.996 --> 00:34:10.996

That, you know, that you all would want. Anyway, so that's...

00:34:11.617 --> 00:34:19.617

Sorry, I'm talking too much, but just to kind of apologize, we're, like, this might be the year of surprises anyway, so I need to get used to

00:34:19.551 --> 00:34:22.551

not having a lot of confidence in what I'm asking you.

00:34:24.910 --> 00:34:30.910

I'd like to note that there, you know, maybe two reasons to postpone. Number one, we really don't know what the funding picture's gonna look like.

00:34:31.463 --> 00:34:36.463

And how many of the resources that are presented at the Disability Fair

00:34:36.493 --> 00:34:40.493

will continue to be available at the level that they've been available.

00:34:41.338 --> 00:34:44.338

And number two, I did hear a lot of burnout comments.

00:34:45.344 --> 00:34:48.344

about the amount of work, physical work,

00:34:48.422 --> 00:34:50.422

that volunteers had to do,

00:34:51.557 --> 00:34:53.557

There were not complaints, they were just...

00:34:54.243 --> 00:35:01.243

I don't know how much longer I can do this, my body's getting older. So I think, um, to me it makes sense to have a planning year.

00:35:01.909 --> 00:35:03.909

Other comments from the board?

00:35:06.477 --> 00:35:12.477

Uh, that is interesting. I didn't, you know, at first I was like, okay, well, I mean, we should have the expo, but...

00:35:13.670 --> 00:35:16.670

Yeah, sometimes it's... it's important to just take a moment.

00:35:16.748 --> 00:35:22.748

a pause and regroup and re-strategize, if that makes it stronger going forward. I have to say,

00:35:23.366 --> 00:35:29.366

The expo and the resources have been... I mean, it's fantastic, and as a provider, um,

00:35:30.402 --> 00:35:36.402

I mean, it's surprising how many people don't know about puns, how many parents don't know about puns, and so I...

00:35:37.194 --> 00:35:42.194

Whether they're there to see me about that or whatever, I make sure to advocate, and...

00:35:42.657 --> 00:35:45.657

You know, people don't... Yeah, so this is like...

00:35:46.140 --> 00:35:58.140

I was, like, wondering, I'm like, I wish there was a unified resource where people can, like, look up stuff, and I get it, that's gonna be another whole logistic thing, but the expo is essentially that. And I was like, wow, this is really, um...

00:35:58.922 --> 00:36:00.922

It's really a wonderful thing, so...

00:36:02.064 --> 00:36:04.064

Well, we should keep the site hooked. Yeah.

00:36:06.200 --> 00:36:13.200

Any other comments? Um, I would just say that I like the idea of a... of the survey of people who have been doing it.

00:36:13.363 --> 00:36:17.363

I would also encourage that group to reach out to groups that have stopped

00:36:18.514 --> 00:36:22.514

Yeah. And what drove their decisions to do that.

00:36:23.919 --> 00:36:25.919

Dr. Fisher...

00:36:28.121 --> 00:36:31.121

Okay, she's smiling and nodding on the screen.

00:36:31.806 --> 00:36:33.806

Yeah.

00:36:33.805 --> 00:36:36.306

Hi everyone, it's Kim. Um, I just want to clarify that this motion that we made

00:36:39.204 --> 00:36:41.204

No.

00:36:41.204 --> 00:36:41.991

is not to, for sure, cancel the event, right? It's just to give flexibility to the staff.

00:36:42.976 --> 00:36:47.976

to... or to Lynn and Chris, who... or whomever, Kim, whomever writes the checks or signs the checks.

00:36:47.976 --> 00:36:53.423

to do something different if the Disability Expo Committee

00:36:54.237 --> 00:36:58.237

decides to do something different. Is that... is that... is my understanding accurate?

00:36:58.237 --> 00:37:00.593

That's... I think it's very clear, because the motion says,

00:37:01.497 --> 00:37:03.497

Which may include an in-person event.

00:37:04.122 --> 00:37:06.122

Though it doesn't disallow anything.

00:37:08.168 --> 00:37:10.168

Okay.

00:37:10.166 --> 00:37:11.417

Okay, great. Yeah, I mean, the Disability Expo is a great resource, um, so...

00:37:11.853 --> 00:37:14.853

But I look forward to hearing more from what the...

00:37:30.170 --> 00:37:34.170

It's at 2PM. Paula, I'll send you the, um, email again.

00:37:35.855 --> 00:37:38.855

Okay, I found out about services

00:37:39.213 --> 00:37:41.213

By going to the Disability Expo,

00:37:41.323 --> 00:37:43.323

15 years ago.

00:37:44.194 --> 00:37:47.194

at that point, the school district was giving no advice.

00:37:47.387 --> 00:37:49.387

for transitioning.

00:37:50.131 --> 00:37:56.131

high schoolers. So, yes. Um, I'll, uh, so let's take a voice. Is this a voice vote, or a...

00:37:56.130 --> 00:38:03.420

It's not necessarily a financial vote. Well, I think this is the chair's prerogative, possibly, but what... but Stephanie might...

00:38:03.855 --> 00:38:05.855

have a preference, and you could...

00:38:06.699 --> 00:38:08.699

You're a small group, a roll call could work. No.

00:38:09.265 --> 00:38:11.265

No. Do you want us to do a roll call, Stephanie?

00:38:11.263 --> 00:38:13.263

Oh, that's up to you.

00:38:13.237 --> 00:38:15.237

If you want.

00:38:15.236 --> 00:38:16.357

Uh, well, let's do a quick roll call. It'll take...

00:38:16.936 --> 00:38:18.936

half a minute. Go ahead.

00:38:18.936 --> 00:38:20.159

Right. Uh, Neil Sharma.

00:38:20.044 --> 00:38:22.044

Aye.

00:38:22.043 --> 00:38:22.093

Um, committee recommends... I think there is... Paula has a question in the chat. She said to... I think about this meeting, the Disability Expo meeting, it says today, what time? So, Lynn, could you share that information?

00:38:22.094 --> 00:38:22.884

Kim Fisher.

00:38:23.311 --> 00:38:25.311

Diane Husby Gordon.

00:38:25.311 --> 00:38:27.262

Yes. Yes.

00:38:27.262 --> 00:38:27.576

Susan Fowler.

00:38:28.685 --> 00:38:32.685

Okay, approved. Moving on, then, to...

00:38:33.070 --> 00:38:37.070

A-I-R activities for 2026.

00:38:38.283 --> 00:38:40.283

Um, as we all know, um,

00:38:40.473 --> 00:38:43.473

The Alliance for Inclusion and Respect.

00:38:44.233 --> 00:38:46.233

Um, has been active.

00:38:46.232 --> 00:38:49.076

In conjunction with the EBERT, um,

00:38:49.077 --> 00:38:51.607

Film Expo, which

00:38:52.778 --> 00:38:54.778

ended this past year because

00:38:55.599 --> 00:38:58.599

of support no longer being available.

00:38:59.795 --> 00:39:02.795

At the same time, or shortly thereafter,

00:39:03.657 --> 00:39:05.657

Um... Shay...

00:39:05.960 --> 00:39:08.960

Ebert said that she would like to have

00:39:08.962 --> 00:39:12.849  
a final show, so to speak.

00:39:12.925 --> 00:39:14.925  
And so, um..

00:39:16.027 --> 00:39:22.027  
their, um, the decision, basically, which addresses the unexpected,

00:39:22.027 --> 00:39:25.055  
is that we could have a final event

00:39:25.054 --> 00:39:28.475  
at the Virginia theater on April 17th and 18th.

00:39:29.040 --> 00:39:31.040  
If you don't mind, I'll just read the motion.

00:39:32.255 --> 00:39:34.255  
A motion to approve up to \$63...

00:39:34.640 --> 00:39:37.640  
22.50.

00:39:38.155 --> 00:39:42.155  
to share the cost of anti-stigma film sponsorship.

00:39:43.075 --> 00:39:46.075  
And the Roger Eberts Film Festival 2026,

00:39:46.986 --> 00:39:50.986  
And to authorize the Executive Director and staff to issue payment.

00:39:50.986 --> 00:39:54.904  
This would allow us to continue for one final time.

00:39:55.546 --> 00:39:59.546  
to sponsor that, um, what has typically been a valuable film.

00:40:00.638 --> 00:40:02.638  
Um, and it may also...

00:40:02.588 --> 00:40:04.588  
I suppose, allow...

00:40:05.309 --> 00:40:07.309  
the alliance to do things.

00:40:08.012 --> 00:40:12.012  
But that's up to the Alliance. So this is just our support for the film.

00:40:12.013 --> 00:40:15.627

Um, and this is a financial request, so...

00:40:15.867 --> 00:40:21.867

Um, do we have... I made the motion, do we have a second? Second. Okay, um, Neil seconded.

00:40:21.786 --> 00:40:23.786

Discussion.

00:40:24.049 --> 00:40:26.049

And then we'll have a roll call.

00:40:29.275 --> 00:40:31.275

Okay, let's... let's do the roll call.

00:40:31.430 --> 00:40:33.430

Oh, did you have a discussion?

00:40:34.532 --> 00:40:46.532

comment. I mean, this... again, this was another surprise, and, um, the Mental Health Board did agree to do this, so if the DD Board wants to contribute, this would be an up-to, because I don't know...

00:40:46.773 --> 00:40:48.773

how much they would actually expect.

00:40:49.775 --> 00:40:54.775

from us this year, but we've traditionally paid \$15,000, and then we have the art show, and there's a...

00:40:55.545 --> 00:40:57.545

It's just... it's a little easier to pull this off.

00:40:58.773 --> 00:41:00.773

Because we don't have to do all the coordination, but...

00:41:01.347 --> 00:41:04.347

I don't know, like, I got some emails yesterday,

00:41:04.647 --> 00:41:09.647

that Chaz Ebert and the other coordinator are pretty confident they can do this, but I...

00:41:10.668 --> 00:41:17.668

I don't know what's gonna happen, so this is kind of, again, maybe, and if we can do it, and you are into it, then that would be the most...

00:41:18.616 --> 00:41:20.616

It would cost the DD Board and...

00:41:20.751 --> 00:41:36.751

I... I don't know, I think the art show part is really exciting. It's also happy birthday, Susan! Oh! Right? Won't it be... it'll be your birthday

weekend. Yes, it will. We can make the whole festival. It's incidental. Yeah, so... and I'm, again, was like, whoa, I...

00:41:37.465 --> 00:41:40.465  
finished the budget, we did budget revisions, and then...

00:41:41.464 --> 00:41:43.464  
heard about maybe another Ebertfest, so...

00:41:43.950 --> 00:41:46.950  
It's fun. Other comments or discussion?

00:41:49.308 --> 00:41:51.308  
Any concerns about...

00:41:52.195 --> 00:41:57.195  
Lynn needing to redo the budget and potentially expending an extra \$6,800.

00:41:59.079 --> 00:42:01.079  
Okay, roll call, please.

00:42:01.777 --> 00:42:03.777  
Diane Husby Gordon?

00:42:03.453 --> 00:42:05.453  
Yes?

00:42:05.454 --> 00:42:06.502  
Susan Fowler?

00:42:06.502 --> 00:42:07.827  
Yes.

00:42:07.826 --> 00:42:09.395  
Yes.

00:42:09.395 --> 00:42:09.819  
Yes.

00:42:09.819 --> 00:42:09.841  
Neil Sharma, Kim Fisher,

00:42:12.383 --> 00:42:14.383  
Wow, we've gotten through

00:42:14.751 --> 00:42:17.751  
A lot of the agenda, and we can now move to old business.

00:42:18.164 --> 00:42:20.164  
Um, so...

00:42:20.102 --> 00:42:25.102  
Resolution number one update is on pages 43 to 44.

00:42:25.530 --> 00:42:29.530  
This is carried over from, um,

00:42:29.983 --> 00:42:33.983  
the pledge that members of the board worked with

00:42:33.983 --> 00:42:36.013  
um, staff to develop

00:42:36.013 --> 00:42:38.251  
To recognize the...

00:42:38.427 --> 00:42:41.427  
the rights and the dignity of...

00:42:41.888 --> 00:42:44.888  
of individuals with autism and IDD.

00:42:45.708 --> 00:42:50.708  
Um, within our community, we felt there was an urgent need to be very specific.

00:42:51.505 --> 00:42:54.505  
Following comments by the Secretary of Human...

00:42:54.782 --> 00:42:56.782  
Health and Services, who...

00:42:57.053 --> 00:43:00.053  
um, decried the lifetime

00:43:01.102 --> 00:43:03.102  
trauma and, um...

00:43:05.730 --> 00:43:09.730  
life and death sentence, basically, for families who have children with autism.

00:43:10.548 --> 00:43:14.548  
Which enraged many of us who have... who are families with children with autism.

00:43:15.108 --> 00:43:19.108  
So, um, uh, the adoption...

00:43:20.414 --> 00:43:24.414  
Uh, of the resolution is included with draft actions.

00:43:25.362 --> 00:43:27.362  
for a multi-governmental pledge,

00:43:28.124 --> 00:43:33.124  
Um, this requires board action, because if you note on page 44,

00:43:34.071 --> 00:43:36.071  
Next steps are recommended.

00:43:36.190 --> 00:43:38.190  
to urge other...

00:43:38.206 --> 00:43:40.206  
entities within,

00:43:40.319 --> 00:43:42.319  
um, Champaign County,

00:43:42.275 --> 00:43:45.275  
to also provide support for this.

00:43:46.375 --> 00:43:53.375  
And the Pledge of Action to demonstrate this commitment will need to be developed.

00:43:54.241 --> 00:44:00.241  
Or not? Well, this is... so you already approved the resolution in two different versions in November's just...

00:44:01.110 --> 00:44:03.110  
sort of summarizes... Great. ...what that...

00:44:03.111 --> 00:44:16.681  
what that was, and then what we did next. And now we're, again, a place where I'm not really sure what we're doing next, but I think whatever we do next, we need to bring in some experts, some people who advocate, and so this...

00:44:17.344 --> 00:44:24.344  
Pledge of Actions is developed based on what I'm hearing from others. Some of it is stuff that units of government have to do anyway.

00:44:24.897 --> 00:44:32.897  
Um, but to... to have this come from a person who actually has a developmental disability or autism,

00:44:33.470 --> 00:44:39.470  
at a governmental meeting could be really powerful. So, I'm asking really for, um,

00:44:40.209 --> 00:44:42.209  
If you'll approve or want to revise,

00:44:42.526 --> 00:44:45.526  
This document, or even put it... if you want to put it off,

00:44:45.954 --> 00:44:48.954  
Um, we would... the next step after that would be

00:44:49.002 --> 00:44:54.002

ask some... ask for some input from people who might actually go to a meeting.

00:44:54.002 --> 00:44:59.777

of, say, the county board, and give public input, and ask for this pledge of actions.

00:45:00.928 --> 00:45:06.928

So... Well, that was my question. Who leads the effort in your... so staff would work with

00:45:07.648 --> 00:45:11.648

a board member or the community represented by...

00:45:12.031 --> 00:45:15.031

The DD board defined a spokesperson.

00:45:15.331 --> 00:45:20.331

And staff would take on that role, or a board member would help staff with that role.

00:45:21.210 --> 00:45:23.210

Okay. Um, discussion.

00:45:24.253 --> 00:45:26.253

Oh, maybe motion first, sorry.

00:45:26.301 --> 00:45:28.301

Um, uh...

00:45:29.105 --> 00:45:31.105

Do we have a motion to approve?

00:45:31.290 --> 00:45:33.290

Um, the...

00:45:35.072 --> 00:45:40.072

board, um, agreeing that staff and a representative from the board

00:45:40.073 --> 00:45:43.771

should work together to identify a speaker. Is there a...

00:45:44.596 --> 00:45:54.596

Yeah, I had given Anne a potential motion. Okay. It was really simply just motion to accept the 2026 pledge to residents with disabilities as presented

00:45:54.698 --> 00:46:07.698

Or as revised. Oh, that's even easier. Yeah, because then the rest of it is gonna... it really does depend on who's available to work on things like this, and who's interested, and I am not working directly with any advocates.

00:46:08.291 --> 00:46:12.291

So I can't speak to whether... Right, I understand. ...they'd even want to do it. Yeah, okay.

00:46:12.826 --> 00:46:14.826

So, um, let me paraphrase.

00:46:14.827 --> 00:46:15.057

Yes.

00:46:15.057 --> 00:46:16.853

Um, uh...

00:46:17.355 --> 00:46:19.355

The motion is to approve

00:46:19.486 --> 00:46:21.486

The statement of...

00:46:22.236 --> 00:46:25.236

The resolution, as presented on page 43,

00:46:25.320 --> 00:46:27.320

And to support

00:46:27.353 --> 00:46:30.353

the next steps that are represented

00:46:30.448 --> 00:46:32.448

On page 44,

00:46:32.745 --> 00:46:34.745

to support the...

00:46:34.902 --> 00:46:36.902

Pledge of Actions.

00:46:38.060 --> 00:46:41.060

presentation to other units of local government.

00:46:41.061 --> 00:46:43.064

Is that close enough?

00:46:44.018 --> 00:46:47.018

I wasn't even thinking of anything that complicated.

00:46:47.018 --> 00:46:49.546

I can say the motion. This is Kim.

00:46:49.547 --> 00:46:50.710

Okay, go ahead, Kim.

00:46:50.780 --> 00:46:52.780

Thank you.

00:46:52.779 --> 00:46:55.078  
Um, a motion to approve the 2026 pledge to residents with disabilities,

00:46:55.079 --> 00:46:57.929  
Uh, as drafted or as edited.

00:46:59.711 --> 00:47:01.711  
Period. Okay. Fine.

00:47:02.546 --> 00:47:04.546  
Um, a second? Second.

00:47:04.753 --> 00:47:08.753  
Okay, moved by Kim, seconded by Neil.

00:47:08.891 --> 00:47:10.891  
Uh, further discussion?

00:47:12.722 --> 00:47:14.722  
Hearing none, all those in favor?

00:47:15.010 --> 00:47:17.010  
Oh, sorry, I see a hand.

00:47:17.010 --> 00:47:17.344  
Oh, Sue, sorry. I... yeah.

00:47:17.134 --> 00:47:19.134  
Go, Kim.

00:47:19.134 --> 00:47:21.556  
This... this skim, yeah. Um, so one question I had is,

00:47:21.802 --> 00:47:28.802  
Um, do we have any structure in our bylaws for ad hoc committees? Because this feels like...

00:47:28.757 --> 00:47:33.757  
Um, a nice opportunity... I mean, staff has a lot of things to do.

00:47:34.582 --> 00:47:37.582  
Um, and I'm wondering if this is something that, like, a...

00:47:38.014 --> 00:47:40.014  
ad hoc committee...

00:47:40.016 --> 00:47:44.052  
led by maybe a board member, would be a good idea?

00:47:44.712 --> 00:47:46.712  
Or not? Lynn...

00:47:46.713 --> 00:47:50.062

Well, we have to be a little careful with committee formation, because then you're, um...

00:47:49.987 --> 00:47:51.987  
Hmm.

00:47:51.987 --> 00:47:55.275  
Some committees have to conform to Open Meetings Act, and then you need staff support.

00:47:55.556 --> 00:47:59.556  
to announce and post agendas and create packets and...

00:47:59.666 --> 00:48:02.666  
set up the microphones, and so... so...

00:48:03.275 --> 00:48:05.275  
It's... you can certainly...

00:48:06.505 --> 00:48:09.505  
take on tasks as an ad hoc committee,

00:48:10.365 --> 00:48:13.365  
Um, but there... I don't know if... if you have more than...

00:48:14.102 --> 00:48:18.102  
One board member. Yeah, we had a problem with this before, when we had

00:48:18.101 --> 00:48:24.562  
two board members from each board working on something, that's a public meeting, then. That's a public entity, so...

00:48:25.123 --> 00:48:29.123  
Um, this is... it's a great question. I'm not really sure...

00:48:29.122 --> 00:48:35.546  
If it's just one board member working with our staff and some agency staff, I think you can just do that.

00:48:35.657 --> 00:48:37.657  
Okay, perfect.

00:48:37.657 --> 00:48:40.466  
Yeah, I think that the spirit of the motion should be what is voted on.

00:48:41.040 --> 00:48:45.040  
Uh, or the wording of the motion, and then the spirit will recognize it.

00:48:45.039 --> 00:48:50.692  
Kim or someone else would really like to work with staff on this to reduce the staff demands.

00:48:50.819 --> 00:48:53.819  
How did you know, Susan? Yes, yes.

00:48:53.819 --> 00:48:55.010

Uh, I just guessed. Okay.

00:48:55.765 --> 00:48:59.765

Um, so, um, call the motion. All those in favor?

00:49:01.144 --> 00:49:03.144

Okay.

00:49:03.754 --> 00:49:08.754

Um, moving on. Thank you so much for all the input, um, Lynn and Kim.

00:49:08.759 --> 00:49:16.759

Um, agency special request update. Okay, so this has been an issue that we've been addressing off and on.

00:49:16.947 --> 00:49:18.947

Since last year,

00:49:18.946 --> 00:49:21.472

It has been a concern.

00:49:22.003 --> 00:49:25.003

Um, it's represented on page 45.

00:49:25.861 --> 00:49:28.861

I'm going to turn it over to Lynn to discuss.

00:49:29.517 --> 00:49:31.517

Um, I have a lot of comments written.

00:49:32.325 --> 00:49:35.325

On my... on my forum, so I'd kind of like you to lead...

00:49:36.274 --> 00:49:42.274

or the brief description of what's gone on, and then we can open it.

00:49:42.361 --> 00:49:44.361

for, um...

00:49:45.042 --> 00:49:48.042

for discussion, we don't have a motion right now.

00:49:48.043 --> 00:49:53.260

So we... this is an opportunity to discuss, before we make any kind of decisions.

00:49:53.369 --> 00:49:55.369

Lynn, do you mind doing that?

00:49:56.398 --> 00:49:58.398

No, this is... this memo, um...

00:50:00.458 --> 00:50:04.458

We were preparing this memo because we knew

00:50:04.653 --> 00:50:07.653

that the agency wasn't going to be able to get

00:50:07.692 --> 00:50:09.692

the financial review done.

00:50:09.792 --> 00:50:13.792

They sent us the letter of disengagement, which is attached.

00:50:13.759 --> 00:50:18.759

Which is the... the, um, CPA firm who had been working on it,

00:50:19.273 --> 00:50:24.273

Saying they can't do it. And essentially, they don't have the materials... the materials...

00:50:24.367 --> 00:50:27.367

Available for them to complete are not...

00:50:28.133 --> 00:50:33.133

sufficient. So... and that's kind of what we understood to be the case all along.

00:50:33.133 --> 00:50:36.453

So, this memo just kind of...

00:50:37.275 --> 00:50:39.275

was in preparation of them asking?

00:50:39.402 --> 00:50:52.402

You, for something, and then they decided to wait until February to ask you for something, so at your February meeting, there will be a request from the agency for more time to complete the financial review. So,

00:50:53.367 --> 00:51:01.367

So, because this memo was already prepared, I thought, this might be a good time to just kind of discuss how you feel about that.

00:51:02.230 --> 00:51:09.230

We... it does have hyperlinks to memos and materials that were presented by our team

00:51:09.697 --> 00:51:14.697

at previous meetings, there's a lot more detail, like, what we think about, the things they submitted.

00:51:15.228 --> 00:51:21.228

In order to satisfy the contract, um, you know, we can summarize that too, but I think it's...

00:51:21.519 --> 00:51:24.519

Um, there might even be...

00:51:25.215 --> 00:51:32.215

a reference, yeah, there was a... there's a reference in the update to what we had suggested at the last time, that it...

00:51:32.662 --> 00:51:39.662

It does look like a lot of activities continued which were consistent with one of the contracts. For the full year,

00:51:40.112 --> 00:51:49.112

Although they only received 6 months of payments for it. So, like, that... and we also knew that, because it relied heavily on social media, which we could all see.

00:51:49.111 --> 00:51:52.187

So, we under... and also, it's a small town.

00:51:52.736 --> 00:51:58.736

So we know that people are engaging in these activities. So that piece, you know, we could say with some confidence,

00:51:58.626 --> 00:52:00.626

The money was spent there.

00:52:01.425 --> 00:52:06.425

But the agency's own reports on the other contract indicated they had not done

00:52:06.665 --> 00:52:09.665

Any activities associated with the second contract.

00:52:10.511 --> 00:52:12.511

However, their financials charged

00:52:13.216 --> 00:52:16.216

money to that contract, so we... we're in a strange...

00:52:17.457 --> 00:52:19.457

for the... for the second contract.

00:52:19.467 --> 00:52:21.467

They charged...

00:52:22.539 --> 00:52:29.539

Maybe. Their financial reports indicate that money was split across the two contracts to support

00:52:29.994 --> 00:52:36.994

Both contracts' activities. However, no activities occurred with the second contract. So, what you make of that, then, is...

00:52:37.696 --> 00:52:44.696

Do they want to say that they spent all the money on the first contract and just did the financial reports wrong?

00:52:45.682 --> 00:52:58.682

after... and this is after we gave a lot of extra time to do the financial reports, so I think at that point, we were saying, let's wait till we have the financial review that will answer some of these questions. And we even made a comment that an audit would be better,

00:52:59.166 --> 00:53:01.166

But that, um, an...

00:53:01.996 --> 00:53:14.996

Their representative said an audit is more than they can afford to do. So, I think they were a little surprised at this letter of disengagement. I don't know what the plan is now, other than to come and talk to you about it in February, and to ask for more time.

00:53:14.996 --> 00:53:21.019

So, you can, if you want to see those more detailed memos with our

00:53:21.142 --> 00:53:26.142

reports on the reports, they're available through the hyperlinks, but I think...

00:53:26.842 --> 00:53:34.842

I don't know, there's other staff members at the table who may have something to say about that. We have spent a lot of time talking about it, too.

00:53:34.757 --> 00:53:36.757

Anyway...

00:53:37.567 --> 00:53:41.567

Personally, um, as the very interim chair of this meeting,

00:53:42.646 --> 00:53:47.646

Um, I'd like to hear from staff. Um, I guess I would like to see their request.

00:53:47.645 --> 00:53:51.918

But we have already spent probably over an hour in the last 6 months talking about this.

00:53:52.304 --> 00:53:56.304

Um, and it is a point of frustration for me personally.

00:53:56.233 --> 00:54:06.233

Um, but having some more background from staff would be helpful. Um, I don't even think I need to go back into the links, because I remember much of what was discussed.

00:54:06.974 --> 00:54:09.974

Um, Kim or Chris, do you have comments to add?

00:54:10.833 --> 00:54:14.833

background. I don't have any further updates aside from...

00:54:15.363 --> 00:54:18.363

what we've discussed previously. Okay.

00:54:19.053 --> 00:54:21.053

Um, if you guys have any specific questions, I can...

00:54:21.054 --> 00:54:24.605

do my best to answer those, but I don't... I haven't had any contact with...

00:54:25.076 --> 00:54:27.076

Um, the agency, I...

00:54:28.367 --> 00:54:30.367

I don't know what month it was they...

00:54:31.048 --> 00:54:39.048

You all directed them to just reach out and work with Lynn, so I've had discussion with Lynn. Back in the summer. Yeah, it was a very long time ago.

00:54:39.048 --> 00:54:46.942

But I have not had any, um, direct contact. Lynn has kept me informed and shared emails with me, but I don't have any updates. Okay. Chris?

00:54:48.510 --> 00:54:50.510

So I've got a... I've got a few thoughts.

00:54:50.480 --> 00:54:55.480

Uh, first off, Martin Hood is one of the premier accounting firms in the community.

00:54:56.170 --> 00:55:00.170

And if they are saying that they are unable to...

00:55:00.170 --> 00:55:02.286

complete this work.

00:55:02.566 --> 00:55:07.566

I find it unlikely that anybody else in the community would be able to do it instead.

00:55:09.033 --> 00:55:13.033

Um... I would add to that that without

00:55:13.033 --> 00:55:21.300

any sort of financial review or audit, with all the questions that we have about the financials that they submitted on our online website.

00:55:21.791 --> 00:55:24.791

Um, it's very difficult to prove

00:55:25.639 --> 00:55:29.639

any expenses were spent appropriately.

00:55:29.826 --> 00:55:32.826

And according to the contract that they had signed.

00:55:33.652 --> 00:55:35.652

So without that, we have no...

00:55:35.693 --> 00:55:37.693

way to verify.

00:55:37.935 --> 00:55:42.935

I would also say that right now, all the CPA firms in the community are...

00:55:42.935 --> 00:55:47.073

just now diving into personal tax return season.

00:55:47.210 --> 00:55:55.210

And, uh, it is very unlikely that they'll get anybody to even pick up the phone until after the tax deadline. Right. So...

00:55:56.954 --> 00:55:58.954

just bear in mind that, you know,

00:55:58.955 --> 00:56:02.181

they probably won't even get anybody to engage with them.

00:56:02.181 --> 00:56:04.488

if they're able to at all, until...

00:56:04.700 --> 00:56:06.700

April. Okay.

00:56:07.742 --> 00:56:11.742

so... and then from that point, actually doing the work and completing the report.

00:56:13.132 --> 00:56:16.132

I mean, that this... the deadline for this could just...

00:56:17.065 --> 00:56:22.065

Go on forever? Yeah. Yeah. Okay. So, one question, um, that I have before I open it...

00:56:22.364 --> 00:56:26.364

Is Steve Beckett still representing and advocating for them?

00:56:27.201 --> 00:56:30.201

Um, and is he planning to come to the meeting in February?

00:56:31.009 --> 00:56:35.009

And finally, is someone from the actual organization planning to come to...

00:56:35.374 --> 00:56:37.374  
to the meeting in February.

00:56:39.066 --> 00:56:45.066  
I think that's... if you want them to be here, I will let Mr. Beckett know that that would be really good.

00:56:45.886 --> 00:56:52.886  
You all had a discussion about after this matter is settled, you'd like to meet with everyone for the organization. We're not settled yet, so...

00:56:53.584 --> 00:56:57.584  
I think this would be a separate direction from you all to me to tell Mr. Beckett.

00:56:59.850 --> 00:57:06.850  
Uh, discussion by the group. We don't have a motion, so we're just gonna talk for a limited time, no more than 5 minutes.

00:57:07.349 --> 00:57:09.349  
To keep this meeting.

00:57:10.334 --> 00:57:12.334  
you know, on schedule.

00:57:13.002 --> 00:57:14.002  
Hi.

00:57:14.002 --> 00:57:19.931  
comments? Yeah, I mean, I think the CPA firm backing out is pretty much saying, we'll never get that.

00:57:20.320 --> 00:57:25.320  
Um, and it's important to have some accountability and transparency.

00:57:25.646 --> 00:57:34.646  
Um, so, you know, and the fact is, it's been how many months have we talked about this, and nobody has come to even try to give some sort of narrative?

00:57:34.855 --> 00:57:39.855  
you know, some sort of explanation, some sort of anything. It's just been, like,

00:57:40.323 --> 00:57:42.323  
Let's get this...

00:57:42.957 --> 00:57:49.957  
push the deadline, and so, yeah, it's sort of, like, I feel like we're spinning our wheels a bit, and so I'm glad that, um,

00:57:49.956 --> 00:57:54.261

they're gonna be coming next meeting, they should, I feel like... Received it's going to be coming.

00:57:54.285 --> 00:57:56.285  
Yeah...

00:57:56.621 --> 00:57:59.621  
So the question is, do we want someone from the agency also to come?

00:58:00.496 --> 00:58:04.496  
I think so. I mean, I think at least before... I mean...

00:58:05.037 --> 00:58:15.037  
give me a good reason. Like, think about what we did with Pace, right? That was a very reasonable request. It was... it's not a track record. This seems like this is...

00:58:15.979 --> 00:58:25.979  
that their finances were a mess, and they weren't doing a good job keeping accountable to their money. And then that becomes a problem when you have people money, you know? Like, what happened to it?

00:58:27.166 --> 00:58:33.166  
You know, was it just simply, oh, they just used it for this one project, even though they should have also used it for the other?

00:58:33.167 --> 00:58:36.699  
Okay, maybe that's more forgivable, but then what if it...

00:58:36.436 --> 00:58:41.436  
Not all that money, then that brings in other, uh, even legal questions.

00:58:42.947 --> 00:58:48.947  
I'm not making any accusations or anything. No, no accusations, just the issue is, we know Steve Beckett is

00:58:48.946 --> 00:58:53.359  
planning to come? Do we want to make any other requests? You're suggesting

00:58:54.147 --> 00:58:57.147  
that a representative from the agency, preferably the president,

00:58:57.147 --> 00:58:59.931  
Yeah, somebody who can speak and be accountable.

00:58:59.931 --> 00:59:03.704  
Yeah. Um, Kim, do you have thoughts?

00:59:04.652 --> 00:59:06.652  
Dan, do you have thoughts? Kim?

00:59:07.385 --> 00:59:09.385  
Uh, yeah, so this is Kim, um...

00:59:09.661 --> 00:59:16.661

So is it for sure that Steve Beckett is coming next week, or next month?  
And what would be the purpose of his...

00:59:17.136 --> 00:59:19.136

coming to the meeting.

00:59:19.136 --> 00:59:25.658

Well, he's coming to represent them because they're going to request...  
they've already given us the request,

00:59:26.377 --> 00:59:28.377

for you, but they didn't want to...

00:59:28.737 --> 00:59:33.737

didn't want us to present in February because he couldn't... I mean, they  
didn't want him to...

00:59:34.871 --> 00:59:39.871

They didn't want us to present it today because he couldn't come today,  
so he asked for February so that he could come.

00:59:40.661 --> 00:59:49.661

To answer any questions that you might have, but I think it's fine if I...  
if I reach out to him and say, I'm so glad you're gonna come, but we  
could also use some other folks, so...

00:59:50.020 --> 00:59:53.020

Anyway, that's not what you asked, but yes, he's coming.

00:59:53.020 --> 00:59:57.499

Okay, and they... the request would be more time, just to clarify.

01:00:01.035 --> 01:00:05.035

or I guess we don't know, because we don't know... we haven't seen...

01:00:05.035 --> 01:00:08.073

No, I have the request, the request just asks for more time, that's all.

01:00:08.073 --> 01:00:09.991

Okay.

01:00:09.991 --> 01:00:16.576

As long as they know that there will be many questions, and hopefully  
they can provide answers and accountability and just...

01:00:16.693 --> 01:00:18.693

an explanation.

01:00:19.539 --> 01:00:24.539

Yeah, so this is Kim... I mean, given what Chris has said about the...

01:00:24.886 --> 01:00:26.886

um, accounting firm...

01:00:26.896 --> 01:00:31.896

expertise, um, and also the timing of needing more time.

01:00:33.300 --> 01:00:42.300

Um... I can, you know, I've said this from the beginning, I continue to have grave concerns about extending this for much longer.

01:00:42.633 --> 01:00:51.633

Um, it is our number one duty to be good stewards of public money, and from what I've watched of the...

01:00:51.928 --> 01:00:56.928

County board meetings over the last several months, um, there are...

01:00:57.130 --> 01:00:59.130

big cuts coming to, you know,

01:00:59.130 --> 01:01:05.679

supposedly down the line, um, there's issues with the county budget, so each department...

01:01:06.071 --> 01:01:08.071

From what I understand of these public meetings,

01:01:08.071 --> 01:01:13.843

We'll have to make decisions about, um, future budgets. And I just would hate...

01:01:14.145 --> 01:01:16.145

Anybody...

01:01:16.144 --> 01:01:21.620

to see, uh, in the public, you know, that we... haven't

01:01:22.108 --> 01:01:28.108

whether, um, that there's complications with some of the contracts that we...

01:01:28.730 --> 01:01:35.730

with this particular agency, um, and our responsibility to make sure that the money is spent in the way that it's supposed to be spent.

01:01:37.444 --> 01:01:42.444

So, more time to prove that it was spent in the way it was supposed to.

01:01:43.752 --> 01:01:49.752

Um... it's already been several, like, years, right? Or over a year?

01:01:50.499 --> 01:01:52.499

Yeah. So...

01:01:52.499 --> 01:01:57.041

It's been a year. Well, I would like, with the board's consent, um, so I'd like to make a motion that

01:01:57.041 --> 01:02:02.401

We specifically request that a representative from the agency come with

01:02:02.682 --> 01:02:04.682

Uh, Steve Beckett.

01:02:05.846 --> 01:02:07.846

to the February meeting,

01:02:08.668 --> 01:02:12.668

to explain why it's impossible to do an audit.

01:02:13.090 --> 01:02:16.090

and discrepancies, and I also would like...

01:02:17.130 --> 01:02:19.130

to, uh, well, that's all I want to...

01:02:20.531 --> 01:02:23.531

So, I'd like to limit the time they have to, but let's... let's just...

01:02:24.025 --> 01:02:26.025

go with that motion.

01:02:26.025 --> 01:02:29.464

That they be given half an hour and no more. How about that?

01:02:29.424 --> 01:02:32.424

to explain problems with the contract.

01:02:35.485 --> 01:02:37.485

Is that okay? Do I have a...

01:02:38.313 --> 01:02:40.313

reinterpretation of the motion, or...

01:02:40.461 --> 01:02:43.461

I mean, a half an hour is a really long time. We have really...

01:02:43.804 --> 01:02:45.804

Yeah.

01:02:45.804 --> 01:02:46.438

All right, do you want to go ahead and revise it to 15 minutes?

01:02:47.278 --> 01:02:53.278

Yeah. And I think, you know, maybe not just the audit, but I think the lesser, um...

01:02:53.745 --> 01:02:59.745

stringent reporting is the financial review, like, right? I think... is that my understanding? Like, financial review is less costly?

01:03:00.249 --> 01:03:06.249

So, maybe have them explain why they can't get the financial review.

01:03:06.981 --> 01:03:13.981

What if you had less detail about what you're going to ask them? Yes, let's just... So that you can ask them whatever makes sense.

01:03:15.446 --> 01:03:19.446

Okay, so let's go back to the motion. I move that we request that

01:03:20.211 --> 01:03:24.211

Steve Beckett come in February with a representative from the agency,

01:03:24.731 --> 01:03:26.731

to... and that we provide them with

01:03:27.649 --> 01:03:29.649

15 minutes.

01:03:30.019 --> 01:03:33.019

to present information.

01:03:33.261 --> 01:03:35.261

Related to...

01:03:38.783 --> 01:03:40.783

their request and the failed audit.

01:03:40.738 --> 01:03:42.738

Yeah.

01:03:42.738 --> 01:03:45.668

Okay, that's a great... yeah, that's...

01:03:46.043 --> 01:03:54.043

What's up out of curiosity, why 15 minutes, not the 30 minutes, or are they... Well, I think it'd be 30 as far as I'm concerned. I just don't want it to be a 2-hour board meeting.

01:03:54.370 --> 01:03:56.370

I... yeah.

01:03:59.140 --> 01:04:03.140

So, there are some... the motion is still tricky because there's no audit.

01:04:04.081 --> 01:04:06.081

So, to refer to a failed audit?

01:04:07.025 --> 01:04:14.025

is... there is no audit. It's a financial review. So I would say, like, maybe a simpler motion that's

01:04:14.471 --> 01:04:19.471

that request that Steve Beckett and a representative of the agency come and answer your questions for

01:04:20.070 --> 01:04:27.070

no longer than 15 minutes, or whatever. 15 minutes? Yeah. I... okay, I like your suggestion of simplifying it.

01:04:27.070 --> 01:04:29.176

I move that the Board...

01:04:29.354 --> 01:04:31.354

Um, request that...

01:04:32.357 --> 01:04:36.357

Steve Beckett, be accompanied by a member of the agency

01:04:36.714 --> 01:04:38.714

When he appears before the board,

01:04:39.836 --> 01:04:41.836

to make the request in February.

01:04:42.214 --> 01:04:44.214

Period. Yeah.

01:04:45.960 --> 01:04:48.960

And should ex- have explanations and, um...

01:04:49.907 --> 01:04:53.907

Also, what do they think is their perspective of how they spent it?

01:04:55.708 --> 01:04:59.708

If they even have. Do you want to make an amendment to add that? I don't know, no.

01:05:00.940 --> 01:05:02.940

That's...

01:05:02.939 --> 01:05:05.713

I would... this is Kim, I would just leave it as open, and then...

01:05:05.914 --> 01:05:07.914

Yeah.

01:05:07.914 --> 01:05:11.384

we could ask those questions. I mean, they actually... we've asked those things, and they've already answered them.

01:05:11.295 --> 01:05:13.295

Yeah, hopefully they know.

01:05:13.295 --> 01:05:13.665

But I'm... yeah.

01:05:14.502 --> 01:05:16.502  
So, I can second Susan's motion.

01:05:16.502 --> 01:05:19.441  
So do I have a second? Okay, Kim seconded. Further discussion?

01:05:19.525 --> 01:05:21.525  
We know it's gonna be awkward.

01:05:22.571 --> 01:05:24.571  
Um, all those in favor?

01:05:24.935 --> 01:05:26.935  
Oh, sorry, please. It's okay.

01:05:28.457 --> 01:05:31.457  
Coming into this new... I've followed along a little bit over the last year, but...

01:05:31.766 --> 01:05:33.766  
don't have all the background, uh...

01:05:34.110 --> 01:05:36.110  
just from what was shown.

01:05:36.110 --> 01:05:38.263  
But, um...

01:05:39.614 --> 01:05:43.614  
when they do come in in February, they're going to be asking for more time.

01:05:45.823 --> 01:05:48.823  
what is the end game here? I mean, what is the end...

01:05:48.884 --> 01:05:50.884  
what is it that we're trying to get to?

01:05:51.944 --> 01:05:53.944  
As a final result, or don't we... we don't know.

01:05:55.067 --> 01:06:01.067  
I'm sorry. I mean, I don't... I think the money is spent. The money's gone.  
So, I think it's...

01:06:02.201 --> 01:06:07.201  
And I'm not sure that everybody in this story understands what we're looking for.

01:06:07.504 --> 01:06:11.504  
But there is a requirement for financial accountability. It could be

01:06:12.309 --> 01:06:18.309

If a financial review is impossible, maybe there's an alternative, but I appreciate what Chris Wilson said, like, this is...

01:06:18.767 --> 01:06:22.767

a bad sign if one of the most esteemed firms can't do it.

01:06:23.012 --> 01:06:28.012

Who can? And are we in some position to come up with a different type of

01:06:28.810 --> 01:06:33.810

financial require... reporting requirement beyond what was already submitted, so...

01:06:34.410 --> 01:06:37.410

I'm not even sure anymore what we're asking for. I think that it's...

01:06:37.384 --> 01:06:39.384

It's possible that...

01:06:40.456 --> 01:06:46.456

they really think they can prove that they spent the money well, and they might have done that, but without financial records.

01:06:47.470 --> 01:06:49.470

It's, you know, the proof is the problem.

01:06:50.730 --> 01:06:56.730

So, I... so I don't even know what kind of questions you might feel inclined to ask them if they're here.

01:06:56.840 --> 01:06:58.840

I'll have some.

01:07:02.240 --> 01:07:05.240

Well, I hope that they're prepared. I mean, um...

01:07:06.099 --> 01:07:10.099

Mr. Beckett, I mean, he's a lawyer, so he's... he needs, uh... it's like...

01:07:10.099 --> 01:07:17.930

present his case, present why... what happened. Um, we... I think that's important. We just need accountability.

01:07:18.410 --> 01:07:28.410

And then, let's hair. Let's... if there's something, then maybe we can figure something else out, but... I don't think our board is mean-spirited. We're simply frustrated because we haven't been given information.

01:07:28.527 --> 01:07:32.527

We would like more information. We have other agencies with whom we've worked.

01:07:32.867 --> 01:07:39.867

who have been very diligent at providing requested and yet more requested information.

01:07:40.679 --> 01:07:45.679

So, to put it up as an example of, oh, some can get away with it, and some can't,

01:07:45.662 --> 01:07:48.662

To be very crass in the comparison.

01:07:48.846 --> 01:07:52.846

Um, I think is a concern for the board and for how the...

01:07:53.060 --> 01:07:55.060

County Board may view us...

01:07:55.529 --> 01:08:01.529

Uh, and our ability to be fiduciary stewards for the money that the county provides.

01:08:01.771 --> 01:08:06.771

So, we need some resolution and further discussion. We cannot just keep

01:08:07.747 --> 01:08:09.747

putting up, uh,

01:08:10.377 --> 01:08:12.377

extended timelines.

01:08:12.720 --> 01:08:14.720

And it's gone beyond what's reasonable.

01:08:14.761 --> 01:08:16.761

Yeah, absolutely.

01:08:17.027 --> 01:08:21.027

From my opinion. Okay, can we call the question, or is there another...

01:08:21.027 --> 01:08:26.907

comment. Chris? Well, I just wanted to tack on to what Lynn was just saying.

01:08:27.587 --> 01:08:29.587

Uh, about the proof, um...

01:08:29.993 --> 01:08:35.993

you know, there is actually a clause in our contract with them that says that they're, uh, their books have to be...

01:08:36.335 --> 01:08:44.335

kept in an audit-ready state at all times, and what that means is, if an auditor were to walk in their door, they could open the books and perform an audit.

01:08:45.342 --> 01:08:48.342

And to me, it seems like

01:08:48.703 --> 01:08:52.703

they were out of compliance from day one, because they were not maintaining their books.

01:08:53.546 --> 01:08:59.546

And that's a caution to us as a board when we fund proposals. Are they capable?

01:09:00.325 --> 01:09:03.325

of maintaining books that can survive an audit.

01:09:04.099 --> 01:09:10.099

We're gonna have less money in the future, very possibly. So who do we fund, and what do we fund?

01:09:11.118 --> 01:09:25.118

So we've fixed that last year. We did. Because of this. We fixed that last year. We can't... an application is not complete unless we have either an audit of the most recent year, a financial review, if that's appropriate, or audited... what is it?

01:09:25.585 --> 01:09:30.585

audited balance sheets, which also... that's another product that you don't do on your own. You need a...

01:09:30.840 --> 01:09:35.840

You need to take your stuff to a CPA firm who's qualified to vouch for it.

01:09:36.584 --> 01:09:42.584

This is now, like, you won't even be asked to consider applications that don't have that foundation. This is...

01:09:43.016 --> 01:09:50.016

Yeah. And part of it is, like, this community is so unique. We have 500 nonprofits, we have brand new, exciting,

01:09:50.825 --> 01:09:55.825

um, brilliant projects, but a lot of those do not come with a

01:09:55.866 --> 01:09:59.866

solid business office, or even an understanding of...

01:10:00.182 --> 01:10:05.182

of what accrual accounting is and why that's important to public funders, so...

01:10:05.482 --> 01:10:12.482

This is an issue that has started a long, long time ago. This particular episode has kind of brought it to a head.

01:10:12.927 --> 01:10:19.927

Um, so now you're protected in the future, you have some... I mean, there's no guarantee about anything, but you have a better...

01:10:19.936 --> 01:10:21.936

standard now, yeah. Okay.

01:10:21.936 --> 01:10:24.933

So, further discussion, or can we call the motion?

01:10:27.784 --> 01:10:32.784

I'd like to call the motion here, hearing no further discussion. All those in favor of the motion?

01:10:33.323 --> 01:10:35.323

That was presented and seconded.

01:10:36.148 --> 01:10:38.148

Aye. Aye. Great.

01:10:38.147 --> 01:10:38.518

Hi.

01:10:38.519 --> 01:10:42.463

All right, um, that was a little more than 5 minutes, but not too bad. That's okay.

01:10:42.597 --> 01:10:44.597

Um, yeah.

01:10:44.597 --> 01:10:49.471

Um, Susan, this is Kim, real quick. I'm sorry, I have to go to the... I have to run, I have to catch a flight, so... I'm sorry.

01:10:49.471 --> 01:10:49.834

Okay, all right, we understand.

01:10:49.931 --> 01:10:51.931

Okay.

01:10:51.931 --> 01:10:53.323

Does that, um, require the board to come to...

01:10:54.525 --> 01:10:56.525

We're good, we still have quorum. Okay.

01:11:00.475 --> 01:11:02.475

Yes, thank you.

01:11:02.475 --> 01:11:03.322

Thank you so much, Kim, for participating under dire circumstances, catching a flight in this weather.

01:11:03.323 --> 01:11:05.172

I know. Wish me luck. Alright, thank you.

01:11:05.170 --> 01:11:09.598

Yeah, good luck. Okay, um, emerging threats, um...

01:11:09.979 --> 01:11:14.979

Uh, are presented. You know, I think that the threats are continuing to emerge.

01:11:14.979 --> 01:11:17.430

I'd like to hold that discussion.

01:11:17.917 --> 01:11:21.917

Um, if that's all right, because I think that we have...

01:11:22.724 --> 01:11:26.724

Um, not only the need for, should we have input,

01:11:27.089 --> 01:11:29.089

From people with IDD,

01:11:29.696 --> 01:11:34.696

I also have a very brief report for changes that are occurring in Engage Illinois.

01:11:35.649 --> 01:11:40.649

And I would really like to provide a short moment, at least for the evaluation capacity.

01:11:41.595 --> 01:11:43.595

building project to give an update.

01:11:44.720 --> 01:11:46.720

Um, and, um...

01:11:48.648 --> 01:11:53.648

I think that... that's about all we can do before people are going to have to start leaving this meeting.

01:11:54.289 --> 01:11:56.289

based on other competing priorities.

01:11:56.494 --> 01:11:58.494

So, um...

01:11:58.842 --> 01:12:01.842

Do we have input from people with

01:12:03.277 --> 01:12:06.277

developmental disabilities or intellectual disabilities for this meeting.

01:12:08.010 --> 01:12:15.010

Okay, nothing. Um, there. Then Engage Illinois. So, Engage Illinois started off with, uh,

01:12:15.011 --> 01:12:17.376  
like a rocket in January.

01:12:17.503 --> 01:12:19.503  
And we've already had, um...

01:12:20.646 --> 01:12:28.646  
Three board meetings or committee meetings. I've agreed to serve as the representative for Downstate. I am the only representative

01:12:28.654 --> 01:12:36.654  
representative, and Vicki was outside of, I agreed to work with the outreach Committee, which is, um,

01:12:37.120 --> 01:12:39.120  
Focused on expanding

01:12:39.120 --> 01:12:45.875  
Participation in Downstate, um, Chicago does have an attitude that they are most of the population.

01:12:45.867 --> 01:12:47.867  
But they are really willing

01:12:47.956 --> 01:12:52.956  
to encourage us to bring more people from across the state,

01:12:53.282 --> 01:12:56.282  
into, um, the discussion.

01:12:56.456 --> 01:12:59.456  
My understanding from several long

01:12:59.739 --> 01:13:05.739  
meetings that I've had, is that Engage Illinois really wants to begin to clarify

01:13:06.296 --> 01:13:10.296  
What's not working with the home-based waiver system?

01:13:10.920 --> 01:13:12.920  
And what's not working

01:13:13.707 --> 01:13:19.707  
in silos, particularly in the Chicago area, and possibly downstate, where there's very little choice.

01:13:20.011 --> 01:13:22.011  
For person-supported care.

01:13:22.010 --> 01:13:26.692  
So, the home-based waiver system provides a lot of choice, but no...

01:13:27.188 --> 01:13:29.188

Supporting infrastructure or guidance.

01:13:29.948 --> 01:13:33.948

The CILA provides a great deal of support, but little personal

01:13:34.655 --> 01:13:36.655

choice and direction.

01:13:37.456 --> 01:13:39.456

So we've got this mismatch of systems.

01:13:40.156 --> 01:13:46.156

And the goal of Engage Illinois is to come up with a very specific, new,

01:13:46.156 --> 01:13:49.546

Um, slideshow, PowerPoint presentation,

01:13:49.637 --> 01:13:54.637

to use with multiple agencies across the state, and we're talking local.

01:13:55.405 --> 01:13:57.405

So, all of the 708 boards...

01:13:58.403 --> 01:14:02.403

There are very few DD boards, but there are other groups

01:14:02.398 --> 01:14:04.398

That, um, are...

01:14:04.585 --> 01:14:07.585

parent groups, et cetera, and that...

01:14:08.468 --> 01:14:12.468

are related... that are concerned downstate with how...

01:14:13.308 --> 01:14:16.308

Services are available and not available.

01:14:16.692 --> 01:14:19.692

And if any of you have tried to get into a group home,

01:14:20.153 --> 01:14:22.153

Recently downstate,

01:14:23.479 --> 01:14:25.479

It's very, very difficult. It's not impossible.

01:14:25.875 --> 01:14:27.875

But it's very, very difficult.

01:14:28.012 --> 01:14:33.012

So, I'm really encouraged by the spirit of the board and what they're planning to do.

01:14:33.011 --> 01:14:37.084

Um, I will provide a quick update every month.

01:14:37.084 --> 01:14:39.406

But I think they've really...

01:14:40.284 --> 01:14:42.284

honed in on action.

01:14:43.417 --> 01:14:48.417

So that it's not just a small parent group in Chicago saying, let's change the system. It's, uh...

01:14:48.738 --> 01:14:51.738

Let's create a coalition across the state.

01:14:52.040 --> 01:14:54.040

to change the system.

01:14:54.039 --> 01:14:57.756

Um, so that's my update. Um, and, you know, I...

01:14:58.994 --> 01:15:03.994

kind of thought we were dragging, um, but I think the Engage Illinois had to

01:15:03.994 --> 01:15:06.360

really come to grips with a lot of issues.

01:15:06.722 --> 01:15:08.722

Uh, and they... and they're doing that.

01:15:09.045 --> 01:15:13.045

So that's all I have to say about Engage Illinois, but I'm optimistic.

01:15:13.357 --> 01:15:15.357

that it could be a force.

01:15:16.700 --> 01:15:20.700

Okay, um, moving on to evaluation capacity building.

01:15:22.630 --> 01:15:25.630

We have a report. Yes, we do, thank you for being here.

01:15:28.917 --> 01:15:30.917

Happy hump day, everybody!

01:15:31.036 --> 01:15:37.036

Um, so I'm just in the Darius, I direct the Family Resiliency Center. I'm leading the Evaluation Capacity Project.

01:15:37.036 --> 01:15:40.103

With a team of excellent people, Nate and Rachel.

01:15:40.103 --> 01:15:46.955

Um, I'm gonna be real short, so usually I come in and show microalerting, and we've done that so many months in a row.

01:15:46.955 --> 01:15:55.738

Um, we're in the process of developing a new microlearning, um, which is utilizing, um, Google and Microsoft Forms so that, um,

01:15:56.200 --> 01:16:03.200

Uh, different agencies can create their own surveys, uh, for lower cost, so that's highly scalable and sustainable.

01:16:03.451 --> 01:16:12.451

So, developing the microlearning that also our working group has helped in providing feedback on, and having a one-pager so that people who have different learning styles

01:16:12.925 --> 01:16:20.925

with the, um, audio and visual versus the, um, text versions, um, that both can be served. And then having an in-person training

01:16:21.380 --> 01:16:33.380

To have, um, whomever from the agencies want to come in their programs actually do hands-on creating of their own of survey or form using those systems, because you can only learn so much from videos and short videos.

01:16:33.736 --> 01:16:40.736

So, um, we are working on planning that, and working with our working group, who's given us great advice and suggestions on how to make this

01:16:41.126 --> 01:16:45.126

Um, more user-friendly and, um, in very lay terms.

01:16:45.125 --> 01:16:53.372

Uh, we've been working with technical assistance with 3 of the programs, and that's going well, helping them develop logic models, surveys, thinking about their outcomes.

01:16:54.236 --> 01:17:05.236

Um, and so those are the things that we've been, uh, really focusing on. So, lots of work going on, but no more micro-learning this, this month. It's okay if I did it every month, it'd get tired of it, right?

01:17:06.753 --> 01:17:10.753

No. We do try to keep them a little entertaining so people will watch.

01:17:15.174 --> 01:17:18.174

I love the practical approach that you're taking.

01:17:18.653 --> 01:17:20.653

to support the agencies. It's just...

01:17:21.239 --> 01:17:28.239

really hands-on. You may only be able to work with 3 agencies at a time, but you're building an infrastructure of support learning.

01:17:29.018 --> 01:17:31.018  
for the other agencies, and I can't...

01:17:31.855 --> 01:17:33.855  
say enough about how impressed I am.

01:17:33.768 --> 01:17:35.768  
Other comments from the group.

01:17:38.723 --> 01:17:44.723  
Can I add one more thing? Um, we launched our office hours, and we're launching that and trying to advertise it as much as possible, so...

01:17:45.727 --> 01:17:55.727  
Anyone from programs or agencies who have a quick question or something small, or something that they just want to work on is free to contact us, even if they're not one of the one-on-one intensive technical assistants, so...

01:17:56.660 --> 01:17:58.660  
I forgot to mention that as well. And what are your office hours?

01:17:59.591 --> 01:18:05.591  
So, they can go in and choose the office hours that work for them. It's a scheduling, so we sent out the link, so it's not just...

01:18:06.340 --> 01:18:16.340  
Fridays at 4 to 5, which, you know, everyone wants to come to your office hours at that point, but they're on demand, um, office hours that they can choose any time that they want to, to chat with us about it.

01:18:18.181 --> 01:18:20.181  
Wow. Okay.

01:18:20.916 --> 01:18:22.916  
Comments?

01:18:23.065 --> 01:18:28.065  
Thank you so much for all that you're doing, and I see a lot of smiles from the agency people behind you.

01:18:29.386 --> 01:18:31.386  
Great. Well, thank you for your support.

01:18:31.436 --> 01:18:33.436  
You really appreciate it. Yeah.

01:18:34.565 --> 01:18:38.565  
Okay, moving on to Disability Resource Expo update.

01:18:39.053 --> 01:18:49.053

Do we need to do that, given that we've had new business and past emotion? Okay. We're going to have a first meeting of that advisory committee that you just directed us to start.

01:18:49.052 --> 01:18:54.604

Today, Kim put that together, and the folks who had lots and lots of ideas

01:18:55.088 --> 01:19:00.088

When we were crashing and burning in December, our... hopefully they're gonna be there. Okay.

01:19:01.383 --> 01:19:03.383

Great. Okay, thank you.

01:19:03.383 --> 01:19:05.383

And then, um...

01:19:06.203 --> 01:19:10.203

Finally, comparison of 2025 agency revenues.

01:19:11.075 --> 01:19:13.075

Page 53 to 84.

01:19:14.105 --> 01:19:20.105

I think that this is gonna require some study to have, um, maybe an in-depth conversation.

01:19:20.104 --> 01:19:23.568

Um, I was just so thrilled

01:19:24.470 --> 01:19:27.470

to see these pie charts. I've been wondering for years,

01:19:27.805 --> 01:19:30.805

What does it look like for an agency

01:19:31.041 --> 01:19:35.041

With robust support, or potentially robust support,

01:19:35.041 --> 01:19:40.493

Um, you know, what are the different sources of funding? How varied can it be?

01:19:41.671 --> 01:19:44.671

And to what extent does an agency depend only

01:19:45.676 --> 01:19:49.676

on CCDDb, or the Mental Health Board.

01:19:49.841 --> 01:19:52.841

And, um, we know right now that...

01:19:53.623 --> 01:19:55.623

It's not longer completely safe.

01:19:56.455 --> 01:20:02.455  
to depend on one source of funding, right? I used to have a lot of federal grants at the university,

01:20:02.515 --> 01:20:06.515  
They became a little bit more tricky. I went to state grants.

01:20:07.107 --> 01:20:10.107  
They became very tricky during the, um...

01:20:10.504 --> 01:20:12.504  
Budget shut down.

01:20:13.427 --> 01:20:17.427  
added some private funds, and now the whole field.

01:20:17.417 --> 01:20:19.417  
Seems a little bit tricky.

01:20:19.614 --> 01:20:24.614  
So, I think that having this in our hands will make it so much easier.

01:20:25.430 --> 01:20:27.430  
to approach the review of proposals.

01:20:28.454 --> 01:20:30.454  
In the spring, because it has...

01:20:31.152 --> 01:20:34.152  
At least for 2025, some of the additional data.

01:20:34.382 --> 01:20:39.382  
And I guess one comment I'd like to make is to encourage the agencies

01:20:39.999 --> 01:20:44.999  
to really study, and you probably already know what your agency looks like,

01:20:44.999 --> 01:20:48.359  
But I see some highly vulnerable agencies,

01:20:49.337 --> 01:20:53.337  
And I'm really concerned, and I know it's not easy to diversify.

01:20:54.036 --> 01:20:56.036  
In a short period of time.

01:20:56.599 --> 01:21:03.599  
Um, but this is something I think that we really need to discuss. I also would like to give Lynn a few minutes

01:21:03.895 --> 01:21:08.895

To talk about, you know, particularly the aggregate data and some of the...

01:21:09.837 --> 01:21:13.837

wonderful news that that does represent for our community.

01:21:14.736 --> 01:21:17.736

Um, and then maybe open it, um, for discussion of...

01:21:18.167 --> 01:21:20.167

what you'd like to do with this data.

01:21:20.829 --> 01:21:25.829

in the next meeting. And again, I... we can go until 11, but I'm also aware that

01:21:26.419 --> 01:21:28.419

It's not the best travel day.

01:21:29.205 --> 01:21:31.205

Because... and people have been...

01:21:32.975 --> 01:21:38.975

pressed to fit more appointments into the latter part of the week, because it was so bad in the beginning of the week.

01:21:39.150 --> 01:21:41.150

Lynn, do you want to talk a little bit?

01:21:41.963 --> 01:21:51.963

We first look at certain pages. We've, you know, traditionally when we're reviewing those applications for funding, the agencies are giving us a lot of information. So in the, like, even in the beginning.

01:21:51.963 --> 01:21:57.597

Like, this... this project came because they give us so much information throughout the year, and then those year-end

01:21:58.469 --> 01:22:01.469

reports are so interesting to me, and I often, like,

01:22:01.945 --> 01:22:05.945

don't have enough time to read them very thoroughly, or do something about it for you.

01:22:05.946 --> 01:22:09.618

So, I think this year, like, Kim put together our

01:22:09.860 --> 01:22:15.860

I think this is the second year we've done it, you know, a summary of the outcome results, which is something

01:22:16.972 --> 01:22:26.972

That means reading that very, very long aggregate document. Super interesting comments in there, so by giving you a summary, we don't mean to say don't look at what the agency wrote in the first place.

01:22:26.973 --> 01:22:32.702

Similarly here, I wanted to... the aggregate information was kind of about...

01:22:33.545 --> 01:22:39.545

In case any members of the public are not sure what their tax dollars do, I wanted to show that

01:22:39.910 --> 01:22:44.910

Their tax dollars are very, very important to the work that they might love.

01:22:45.807 --> 01:22:54.807

And rely on, and take for granted. I don't... this memo is silent on what the services are, how many people are served, even what the local programs look like.

01:22:55.269 --> 01:23:04.269

Let alone, do people have good outcomes? That's a different memo. This is just about money, and you can see the first three lines are state, federal, and then...

01:23:04.962 --> 01:23:10.962

um, state pass-throughs, state and federal partnerships, and there's the monster share of the money,

01:23:10.961 --> 01:23:16.818

And in 2025, we came to feel differently about that money. So in all of the applications for funding,

01:23:16.864 --> 01:23:26.864

We'll see these data again, and that is something that I always put into those program summaries for you. What are the shares of the total agency revenue?

01:23:27.745 --> 01:23:35.745

Um, just so you kind of know, like, it means something different throughout the years, apparently. Like, 10 years ago, if it was all state funding, we'd be very worried.

01:23:36.357 --> 01:23:42.357

about an agency, but that's not quite what's going on now. But the good news that I found was, um,

01:23:43.417 --> 01:23:49.417

Private funding. The older an agency is, and some of them are very old in this community,

01:23:49.433 --> 01:23:54.433

The more you see things like private foundation funding, or, like, just a nice solid...

01:23:55.218 --> 01:24:01.218

fundraising line, so it takes a while to get there, but that can be more stabilizing than some of these

01:24:01.854 --> 01:24:09.854

public tax-funded programs that go from one year to the next and create, like, a whole other level of stress and chaos for everyone.

01:24:09.859 --> 01:24:14.859

Um, you know, local government is a smaller part of it, and we're part of local government, but...

01:24:15.365 --> 01:24:19.365

But I was very, very glad to see among the private funding sources,

01:24:20.105 --> 01:24:23.105

the top 3 reflect, like,

01:24:23.757 --> 01:24:39.757

potentially very generous population here, like people giving their own money individually to projects they believe in. I thought, that's so nice, I'm happy to live in Champaign County. So anyway, beyond that, like, the... yeah, yeah. Stop you just for a moment on page 55.

01:24:40.662 --> 01:24:43.662

If you add fundraising to contributions,

01:24:43.804 --> 01:24:46.804

for the aggregate, and this is just the aggregate.

01:24:47.308 --> 01:24:50.308

Um, 46% of the funding

01:24:50.429 --> 01:24:55.429

to agencies in the aggregate, not individual agencies,

01:24:55.524 --> 01:24:57.524

It's based on...

01:24:58.517 --> 01:25:00.517

contributions in fundraising.

01:25:01.544 --> 01:25:06.544

Now, that's always going to vary based on the economy, I'm sure, but 46, that's almost half.

01:25:06.927 --> 01:25:12.927

of the resources come directly from people in the community who are willing to support

01:25:13.789 --> 01:25:17.789

The efforts of the Mental Health Board and the DD Board. That is astonishing.

01:25:18.583 --> 01:25:30.583

Really? It just made me love my neighbors a little bit, so I thought that was super good news. Then, you know, obviously, like, the agency-by-agency pictures are very important for understanding conditions and...

01:25:30.557 --> 01:25:37.557

You know, they do what they can. We might have suggestions, but we're not in their shoes. Right. So, anyway. And some are older, some are newer.

01:25:39.245 --> 01:25:42.245

Um, thoughts about how to proceed with...

01:25:42.766 --> 01:25:45.766

Discussing and looking at this data in February.

01:25:45.785 --> 01:25:47.785

From the group.

01:25:48.047 --> 01:25:53.047

Do you think it's important to do, necessary to do? Are you happy with what you have?

01:25:55.742 --> 01:26:02.742

Yeah. Okay, so we could have it on the agenda again in February if, um, there's time.

01:26:03.065 --> 01:26:05.065

for a deeper dive. Um...

01:26:05.064 --> 01:26:07.092

I just, I, you know...

01:26:07.093 --> 01:26:10.361

I got back from a terrible two days of trying to get home.

01:26:10.354 --> 01:26:14.354

With flights, and I saw this, and it was like, as Lynn said,

01:26:15.014 --> 01:26:21.014

Christmas, when I opened it, because, I'm sorry, guys, but for those of us who received the mailed copy, it's in color.

01:26:21.015 --> 01:26:27.110

So it's really easy to see the distinction, and I thought, this is something I've been wanting to see.

01:26:28.711 --> 01:26:31.711

For years, and it's such a positive picture.

01:26:32.545 --> 01:26:35.545

And then we see a few agencies that we can say, oh my gosh,

01:26:36.361 --> 01:26:41.361

I'm a little worried. Um, it's not that they're bad agencies, they're really great agencies.

01:26:42.550 --> 01:26:45.550

But can they diversify, and how much will we need?

01:26:46.000 --> 01:26:50.000

to diversify, and we don't know. That's part of the emerging threats, right?

01:26:52.073 --> 01:26:58.073

Yeah, and it's good for us to get input. I think we as staff get input individually from agencies about things like the...

01:26:58.074 --> 01:27:00.704

you know, kind of the long-term effect of

01:27:01.856 --> 01:27:03.856

Funders like the state have a...

01:27:04.181 --> 01:27:09.181

have traditionally had a very low indirect cost rate limit,

01:27:09.180 --> 01:27:14.195

And that can be a real problem if you're trying to compete for...

01:27:14.830 --> 01:27:19.830

Yeah, for technicians or financial experts, so that makes...

01:27:20.709 --> 01:27:24.709

That has created some of the vulnerabilities that you're dealing with on a functional level, so...

01:27:24.825 --> 01:27:30.825

Anyway, okay. I just think it helps to have a deeper knowledge of what's going on, and we're really getting to that.

01:27:30.831 --> 01:27:32.831

Thanks to Lynn and her staff.

01:27:33.308 --> 01:27:36.308

And the agency reports, which can be summarized

01:27:36.511 --> 01:27:41.511

more coherently and simply in ways like this, and boy, can I...

01:27:42.300 --> 01:27:45.300

I can't thank the staff enough, because this is extra work.

01:27:46.336 --> 01:27:48.336

That they did on top of their other work.

01:27:49.605 --> 01:27:52.605

So, okay, moving on then, um...

01:27:53.009 --> 01:27:58.009

to successes in other agency information. This is always a star of our meetings.

01:27:58.009 --> 01:28:03.366

So, um, it's alright if we don't have them this meeting, but if we do, we would love to hear them.

01:28:04.305 --> 01:28:06.305

Any agency reports?

01:28:13.741 --> 01:28:17.741

Hi, I'll be pretty quick. This is Becca from Community Choices. Um, excuse me.

01:28:18.517 --> 01:28:27.517

Um, I just want to tell you guys, we had our first, um, like, futures planning family, uh, workshop last, uh, January 7th. We have our next one coming up here on February 4th.

01:28:28.061 --> 01:28:35.061

Um, we talked about Social Security, we had a really great turnout, um, and so we provided information, and then we also provided a template for,

01:28:35.061 --> 01:28:37.332

a binder that families can use to sort of

01:28:38.116 --> 01:28:44.116

gather information that they maybe already have or know some things that they might need to start putting together, sort of, for their...

01:28:44.116 --> 01:28:46.622

their own sort of future planning, um, disc...

01:28:47.191 --> 01:28:50.191

coming week, we're going to be talking about Medicare and Medicaid, sort of health...

01:28:51.171 --> 01:28:56.171

services. So, um, this is the first year we've done this, and we're really excited about how well it's going.

01:28:56.171 --> 01:29:01.858

Um, I also just wanted to share that, um, we're going to be presenting at the art conference, um, in late April.

01:29:02.071 --> 01:29:09.071

On our transportation program, which you guys have been really instrumental in helping fund and make possible. Um, and so our hope is to share kind of how

01:29:09.071 --> 01:29:16.047

the program works, how we got it started, um, and sort of give people a little bit of a blueprint for what they could potentially use. So, thank you.

01:29:16.621 --> 01:29:18.621  
Fabulous.

01:29:19.419 --> 01:29:21.419  
Anyone else? Yes?

01:29:22.291 --> 01:29:28.291  
I'd sure want to include me and

01:29:28.827 --> 01:29:33.827  
Eric from PACE

01:29:34.688 --> 01:29:39.688  
Continue to work

01:29:40.793 --> 01:29:44.793  
With the

01:29:44.268 --> 01:29:49.268  
Family Re

01:29:49.665 --> 01:29:53.665  
UU

01:29:53.926 --> 01:29:58.926  
Mmm. We have a

01:30:02.200 --> 01:30:05.200  
Well

01:30:03.903 --> 01:30:09.903  
Plan that we are

01:30:10.587 --> 01:30:16.587  
Working on. And... oh.

01:30:23.605 --> 01:30:25.605  
You want to share a plan with us?

01:30:25.605 --> 01:30:28.026  
We can share that with you in the coming months.

01:30:28.587 --> 01:30:34.587  
No, we... are working on.

01:30:39.938 --> 01:30:41.938  
Working on a survey.

01:30:41.939 --> 01:30:42.111  
A survey.

01:30:47.196 --> 01:30:57.196  
Yeah, that we are coming up...

01:31:02.774 --> 01:31:07.774  
With you a.

01:31:08.749 --> 01:31:13.749  
And it's been a great

01:31:14.826 --> 01:31:18.826  
Collaboration.

01:31:23.477 --> 01:31:25.477  
Did you catch that?

01:31:28.653 --> 01:31:33.653  
And. I've been...

01:31:34.070 --> 01:31:36.070  
Working Group.

01:31:36.070 --> 01:31:39.261  
Cool.

01:31:39.262 --> 01:31:41.251  
For the survey, which you will be sharing with us in a coming meeting.

01:31:43.670 --> 01:31:47.670  
I've been

01:31:48.036 --> 01:31:53.036  
Openly this group

01:32:00.755 --> 01:32:02.755  
Yes.

01:32:02.755 --> 01:32:03.804  
Okay, that's great. Thank you, Paula. So you're working with a group to develop a survey.

01:32:04.468 --> 01:32:09.468  
With the Building

01:32:13.787 --> 01:32:17.787  
Cap

01:32:17.814 --> 01:32:23.814  
With the university

01:32:23.813 --> 01:32:24.061  
A unified.

01:32:27.028 --> 01:32:29.028

unified group?

01:32:29.744 --> 01:32:33.744

Thank you Eric.

01:32:33.749 --> 01:32:40.749

Hello, this is Eric. Thank you, Eric. Uh, Paula was just sharing that we've been collaborating with the Family Resource

01:32:41.208 --> 01:32:47.208

Center on, uh, developing a program survey and stuff, which hopefully we'd like to share in the spring.

01:32:47.204 --> 01:32:52.204

Oh, that's fabulous. I think we got most of it, Paula. Thank you so much.

01:32:52.297 --> 01:32:54.297

This is great.

01:32:55.108 --> 01:32:57.108

Thank you, Eric. Okay, anything else?

01:32:59.087 --> 01:33:02.087

All right, do we have another agency that wishes to share?

01:33:08.349 --> 01:33:13.349

Hi, um, I'd just like to share two things, if that's okay. Um, just to...

01:33:14.677 --> 01:33:18.677

After hearing that people in our community-first program through

01:33:19.468 --> 01:33:22.468

our robust survey process. Thanks, Jacinda.

01:33:22.503 --> 01:33:24.503

And company. Um...

01:33:24.624 --> 01:33:31.624

We learned that people are interested in agriculture, so we created the weekly Iron and Acre Group.

01:33:31.837 --> 01:33:35.837

Uh, so this group has spent, um, the past few months traversing

01:33:36.354 --> 01:33:40.354

Champaign County, when it's not snowing or raining ice.

01:33:40.664 --> 01:33:47.664

Um, around, and uh, we've been invited to some farm implement places, um, have had some tours from

01:33:47.826 --> 01:33:49.826

Places like Awesome Machines,

01:33:49.895 --> 01:33:53.895

Uh, Jennings implement, um, and they've even used some, some,

01:33:54.342 --> 01:33:57.342

Uh, computer programs to learn about diesel engines and

01:33:58.240 --> 01:34:01.240

design their own digital tractors, so that's been pretty fun.

01:34:01.457 --> 01:34:05.457

Um, and I also would like to share that the Crow will also, uh, be...

01:34:06.564 --> 01:34:11.564

A venue for the Boneyard Arts Festival, the weekend of April 10th, um, so we hope to see you there.

01:34:12.243 --> 01:34:17.243

Our opening reception will be on Friday, the 10th... April 10th from 6 to 8 p.m.

01:34:17.527 --> 01:34:19.527

And light refreshments will be served.

01:34:20.523 --> 01:34:28.523

Um, this year's theme is Growing Together to showcase our community's ability to grow together in art while fostering inclusivity and connection.

01:34:28.441 --> 01:34:30.441

So...

01:34:31.132 --> 01:34:34.132

Thank you so much. Please, go ahead.

01:34:41.045 --> 01:34:49.045

Hi, this is Annie from the Ark of Illinois, and I apologize, I realize maybe I should have said this in public comment, since technically I'm not a funded agency, but I am from an agency.

01:34:49.046 --> 01:34:57.827

It's okay. Okay. Um, just want to share kind of an exciting thing that the Arc of Illinois is doing here locally. We are hosting listening sessions.

01:34:58.488 --> 01:35:01.488

And it reminds me a lot, kind of similarly, to Engage Illinois.

01:35:02.452 --> 01:35:07.452

Uh, looking to gather a lot of feedback from people on what's working in the system, what's not working,

01:35:07.634 --> 01:35:11.634

where we should be funding our money, where we should be putting services.

01:35:12.329 --> 01:35:18.329

And, like you said, Susan, there's a whole lot of Chicago input, and so I'd love to have a super strong...

01:35:18.446 --> 01:35:23.446

I'd really like to be able to brag to my colleagues about all the folks I got to come out in Champaign-Urbana,

01:35:24.106 --> 01:35:29.106

So, um, that one is Thursday, February 5th, next Thursday evening.

01:35:29.106 --> 01:35:36.294

From 5.30 to 7.30 at the Champaign Public Library. Um, you do need to RSVP so I can buy you food.

01:35:36.358 --> 01:35:42.358

But there will be food, and we'll just be very low-key discussing, kind of, areas where folks can

01:35:43.271 --> 01:35:52.271

provide their input. Families, advocates, self-advocates, individuals, anybody from provider agencies that want to work in an evening time.

01:35:52.270 --> 01:35:55.957

I would really love, um, a super strong turnout, so...

01:35:56.904 --> 01:36:01.904

And, um, Annie, I know that I got an email from the ARC that I could press a link to sign up,

01:36:02.056 --> 01:36:06.056

If someone doesn't typically get emails from the ARC,

01:36:06.055 --> 01:36:09.088

How can they go about RSVPing?

01:36:09.088 --> 01:36:20.754

It should be all over the ARC's Facebook page. Okay, go to Facebook. And we're kind of doing it in partnership with the CCDDb. I know Kim and Lynn plan to attend, and maybe you guys can send an email out?

01:36:20.804 --> 01:36:25.804

on your listservs, um, also anyone's willing to contact me, happy to send it to them.

01:36:26.043 --> 01:36:31.043

And if you don't RSVP, like, it's okay. I'll plan for more food.

01:36:31.041 --> 01:36:32.985

Thank you so much. Thank you.

01:36:34.613 --> 01:36:36.613

Okay, any other agency input?

01:36:41.811 --> 01:36:47.811

Hearing none, um, Lynn, do we have, um, input from the County Board, or the...

01:36:48.140 --> 01:36:50.140

Okay, great.

01:36:50.140 --> 01:36:53.282

County Board, thank you.

01:36:52.785 --> 01:36:56.785

Yes. Hi, um, I just have a quick.

01:36:57.628 --> 01:37:02.628

thing to add, um, I wanted to say I support your next steps on item 8I.

01:37:02.463 --> 01:37:06.463

I would welcome public input at a county board meeting.

01:37:06.908 --> 01:37:14.908

Um, on resolution number 1. Which was discussed earlier, and also, I appreciate your work to find accountability for county funds, because.

01:37:14.788 --> 01:37:20.788

We definitely need that at our level. Um, I remember the prior discussions on this, and.

01:37:20.636 --> 01:37:35.636

Your stewardship is definitely appreciated. Um, we're starting our FY27 budget process soon, so... I just want to let you know that that's underway, um, and again, appreciate anything you can do to make sure that we can account for.

01:37:35.701 --> 01:37:43.701

any funds that go to, uh, CCDDDB? Thank you.

01:37:43.701 --> 01:37:44.814

Thank you so much for representing us.

01:37:45.274 --> 01:37:48.274

And keeping us informed. Really appreciate it.

01:37:49.372 --> 01:37:51.372

Okay, um...

01:37:53.682 --> 01:37:55.682

Champaign County Mental Health Board input.

01:37:57.337 --> 01:38:02.337

Then? They met last week, and they approved the, um, the plan to...

01:38:03.398 --> 01:38:08.398

Have an expo pause year, or maybe an in-person thing, just to fig... you know, the plan to go figure it out.

01:38:08.814 --> 01:38:10.814  
Which, I'm so sorry.

01:38:11.121 --> 01:38:17.121  
I just wanted board guidance, and I got it. So, that was really important to me. They also approved

01:38:17.640 --> 01:38:19.640  
Um, doing one last eBrood Fest.

01:38:20.090 --> 01:38:29.090  
And... I think they had to make a decision about two agencies whose audits were... or financial reviews were not completed.

01:38:29.088 --> 01:38:36.056  
And what to do... and the agencies provided them pages and pages and pages of really good

01:38:36.056 --> 01:38:38.401  
information about what happened, and...

01:38:38.573 --> 01:38:48.573  
why, like, it was two very exceptional, easy-to-understand circumstances. I... they're not... I don't think they're on these meetings right now, but I really appreciate the care.

01:38:49.239 --> 01:38:51.239  
that those two agencies put into it. It was...

01:38:51.250 --> 01:38:56.250  
what we want to... what we feel comfortable presenting to the board so they were comfortable

01:38:57.153 --> 01:39:02.153  
making exceptions. They did have a discussion about the audit requirements, because this is, you know, kind of always

01:39:02.153 --> 01:39:07.232  
It's always an issue. We get to a little bit of a timing traffic jam now with...

01:39:08.007 --> 01:39:12.007  
20... trying to read 20 audits, if they're submitted at the last minute or late.

01:39:12.442 --> 01:39:21.442  
We... it does become difficult to complete that work before we're looking at applications for funding, which is really your most important activity.

01:39:21.745 --> 01:39:27.745

And we, you know, we want to be able to provide you thorough and accurate information for that phase, so...

01:39:28.344 --> 01:39:32.344

You know, some acknowledgement of that. The other thing they did was...

01:39:33.849 --> 01:39:39.849

I can't even remember. They have a study session tonight. They're starting to have mid-year program presentations, um,

01:39:40.385 --> 01:39:46.385

So the study session tonight is the... is one of the programs Don Moyer runs, which is a...

01:39:46.624 --> 01:39:48.624

youth programs,

01:39:48.837 --> 01:39:50.837

Sponsored by the...

01:39:50.840 --> 01:39:52.840

Champaign County commu...

01:39:53.638 --> 01:39:55.638

the Champaign County Community Coalition.

01:39:56.296 --> 01:40:02.296

So there's that... that mid-year report. It's not a mid-year report, it's a full-year report. And then a mid-year report on...

01:40:02.873 --> 01:40:07.873

Family Service Program, which we've funded for years and years and years, but was expanded.

01:40:08.929 --> 01:40:12.929

It's their counseling program, and they have expanded it to include some creative

01:40:13.621 --> 01:40:21.621

Options for seniors, and so I think this will be a pretty upbeat study session, because those are, like, really positive

01:40:22.631 --> 01:40:24.631

you know, promotion that...

01:40:25.460 --> 01:40:27.460

you know, a good health promotion programs, so...

01:40:28.451 --> 01:40:33.451

Yay, then later in the year, we'll have conversations about crisis services, which is just hard. That's...

01:40:34.060 --> 01:40:36.060

It's just hard, really important, but anyway.

01:40:36.060 --> 01:40:38.036

Um, but that's it.

01:40:40.905 --> 01:40:44.905

All right, um, moving on to board announcements and input.

01:40:45.545 --> 01:40:48.545

Do you have any announcements, Lynn, or Kim, or Chris?

01:40:51.423 --> 01:40:55.423

Okay, moving on then, to board..

01:40:56.161 --> 01:40:59.161

Um, input? Any input from the remaining board members?

01:40:59.770 --> 01:41:01.770

Today?

01:41:02.751 --> 01:41:08.751

If you have any input. No? Okay. Well, guess what? We're now to the point of adjournment.

01:41:09.637 --> 01:41:13.637

And, um, I think this was a great meeting, and we, um...

01:41:14.787 --> 01:41:16.787

You know, hopefully none of us have been, uh...

01:41:18.064 --> 01:41:21.064

pulled out of the parking lot for being here more than an hour.

01:41:23.990 --> 01:41:29.990

Is it okay for us to defer the special election to February? That's right, the special election.

01:41:29.991 --> 01:41:34.979

Um, what would you like to do, since we have 3 board members here?

01:41:34.979 --> 01:41:40.069

And we don't know what Ann Robbins, um, preferences are.

01:41:41.090 --> 01:41:44.090

I have talked.. I had talked to Anne several times in the week,

01:41:44.465 --> 01:41:48.465

preceding this meeting, so I'm a little bit concerned about what might have happened, so...

01:41:48.941 --> 01:41:53.941

Just out of respect for... I know that she was gonna be here and was planning to do this,

01:41:53.942 --> 01:42:01.831

Till we understand what's going on. Right. If that's okay... is it okay to...  
Is it okay to pause and table it until February? Of course. Okay.

01:42:01.858 --> 01:42:07.858

Okay, we'd like to... all those in favor? Aye. Okay. Informal vote to  
table.

01:42:07.877 --> 01:42:09.877

Yeah. Yeah.

01:42:10.455 --> 01:42:13.455

Hopefully she's alright. I hope she's okay, yeah.

01:42:14.376 --> 01:42:16.376

It's accident weather.

01:42:18.876 --> 01:42:20.876

Life is gone.

01:42:22.306 --> 01:42:24.306

Thanks.
