

The MADD Online Victim Impact Panel offers the same quality presentations as MADD's current in-person program, just in a virtual environment. When a panel is too far away, or not offered frequently enough to meet the court's needs, MADD believes there should be no barriers when it comes to attending a MADD VIP.

MADD's Online VIP features Cutting-Edge Technology:

Facial recognition software.

Randomized questions after each video.

Photo image printed on each certificate to identify who took the class.

Court CMS integration that allows many courts to identify who took the class.

Some reminders about the class:

Registration for the MADD Online Victim Impact Panel is located online at **maddvip.org**.

All technical support questions while taking a MADD Online VIP can be directed to:

1-630-541-6099 during normal business hours.

The Online MADD VIP is approximately 1.5-2 hours.

Class is mobile friendly!

Registrants must have a web-cam to take the course. Facial recognition software is used for compliance purposes.

Class cost is \$65.

Certificates can be downloaded immediately upon completion of this course.

Completing MADD Victim Impact Panel and obtaining a certificate is the sole responsibility of the participant. Participants **MUST** confirm the Online VIP will meet their court sanctions prior to enrollment. Not all courts accept online classes.
