

Notice to City of Champaign Taxpayers – Assessed Values for 2023

Valuation Date (35 ILCS 200/9-95): January 1, 2023

Required level of assessment (35 ILCS 200/9-145): 33.33%

Valuation Based on sales from (35 ILCS 200/1-155): 2020, 2021, 2022

Publication is hereby made for equalized assessed valuations for real property in these Townships in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210, the following equalization factors have been applied to residential, commercial, industrial, other land and improvements and farm home site and dwelling to bring the assessments to the statutorily required three-year median level of 33.33%:

City of Champaign 1.0840 Katherine Moore 217-403-6130

Property in these Townships, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed value is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor's review, taxpayers may file a complaint with the Champaign County Board of Review, call 217-384-3758 or visit: www.co.champaign.il.us/boardofreview/boardofreview.php for more information.
3. The final filing deadline for your township is September 11, 2023. For more information on complaint deadlines, call 217-384-3758 or visit www.co.champaign.il.us/boardofreview/boardofreview.php.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call 217-384-3760 or visit www.co.champaign.il.us/ccao/exemptions.php.

Your property tax bill will be calculated as follows:

Final Equalized Value-Exemptions=Taxable Assessment

Taxable Assessment X Current Tax Rate= Total Tax Bill

All equalized assessed valuations are subject to further equalization and revision by the Champaign County Board of Review as well as equalization by the Illinois Department of Revenue.

The following is a full and complete list of the assessed value of real estate as made by the Assessor or Supervisor of Assessments for general assessment year 2023.
