### **Cancellation of Autism Society’s Contract:**

A Decision Memorandum was included in the Board packet. On October 17, 2016 the CU Autism Network Coordinator informed CCDDDB staff of significant problems with their relationship to the Autism Society of Illinois, asking we stop payments due to ASI’s financial issues. On October 31, 2016 the Autism Society of America notified ASI’s director of their intent to disaffiliate effective December 31, 2016. The letter was included in the Board packet.

**MOTION: Ms. Dill moved to authorize staff to issue an amendment to the Autism Society of Illinois (ASI) contract DD17-075 to reduce the contract maximum to \$4,000 with no further payment due. Mr. Happ seconded the motion. A roll call vote was taken and all present members voted aye. The motion passed.**

### **Organizational Assessment:**

A Decision Memorandum was included in the Board packet. The purpose of this memorandum is to seek approval for the Executive Director to work with the Presidents of the CCMHB and the CCDDDB on identifying a qualified external evaluator who has a fund of knowledge of services and systems of the State of Illinois, for the purpose of conducting an assessment of allocation process, board and staff roles, staff operations, and collaborations with stakeholders. The CCDDDB and CCMHB share administrative services with new leadership. This transition offers an opportunity to improve the organization in deliberate ways. An outside consultant with relevant experience may be best able to integrate input from board members, staff, and stakeholders and recommend specific enhancements and guidance to the Director.

**MOTION: Ms. Ruesch moved to approve the Executive Director negotiating and executing a contract, with approval of the presidents of the CCDDDB and CCMHB, for external evaluation of the organization and its operations. The purpose of the memorandum is to recommend allocation decision support criteria and funding priorities for the Champaign County Developmental Disabilities Board (CCDDDB) FY2018 allocation period, July 1, 2017 to June 30, 2018. The foundation of these recommendations is formed by board discussions and input from citizens, agency representatives, and other stakeholders during board meetings throughout the year, along with previous public input and our understanding of the transforming service delivery and payment systems.

Ms. Hanley-Maxwell stated that although she did not want to delay the approval of the document, she would like to not emphasize “job readiness training” as a priority in the future.

**MOTION: Ms. Dill moved to approve the CCDDDB FY2018 Allocation Priorities and Decision Support Criteria as described in the memorandum identified as Agenda Item 12.B. Ms. Ruesch seconded the motion. A voice vote was taken and the motion passed unanimously.**

**Anti-Stigma Film for 2017:**

A Decision Memorandum was included in the Board packet. The purpose of the memorandum was to seek approval for the Executive Director to commit to working with the Alliance for Inclusion and Respect to sponsor an anti-stigma film at the 2017 Roger Ebert’s Film Festival and

related concurrent anti-stigma activities. The total cost for the event/sponsorship was initially anticipated to be \$30,000, divided between the CCMHB and CCDDDB. The CCDDDB share is charged as part of the administrative fee paid under the Intergovernmental Agreement. We continue to offset this total cost with contributions from Alliance members and ticket sales. In FY16, members contributed \$6,500.

At the June 22, 2016 meeting of the CCMHB, a motion was made, seconded, and passed “to approve up to \$17,355 as the CCMHB share, contingent on approval of \$12,645 by the CCDDDB, to sponsor an anti-stigma film and concurrent anti-stigma activities at the 2017 Roger Ebert’s Film Festival.” During the July 20, 2016 meeting of the CCDDDB, a motion was made and seconded “to approve up to \$12,645 as the CCDDDB share, with CCMHB approved share of up to \$17,355 to sponsor an anti-stigma film;” the motion was tabled until new board members were seated and a new director hired. Since that time, a lower sponsorship cost has been negotiated, at \$15,000. Concurrent activities and promotional costs can be offset by contributions.

**MOTION: Ms. Hanley-Maxwell moved to approve up to \$6,322.50 as the CCDDDB share, with CCMHB approved share of up to \$8,677.50, to sponsor an anti-stigma film and concurrent anti-stigma activities at the 2017 Roger Ebert’s Film Festival. M. Ruesch seconded the motion. A roll call vote was taken and all members present voted nay. The motion failed.**
