08:47:55 From Amy Slagell To Lynn Canfield(privately) : The amount on page 21 is incorrect as well :)

08:51:58 From Lynn Canfield To Amy Slagell(privately) : Thank you. Referring to the same priority area, right? If so, it's actually correct, as it refers to the current level of funding in that priority, rather than the PY21. Or are you referring to a different #?

08:53:13 From Amy Slagell To Lynn Canfield(privately) : nope, thats the one. I thought you had said the PY21 amount was \$717,613

08:53:27 From Lynn Canfield To Amy Slagell(privately) : Right. But that list refers to PY20 amounts.

08:54:39 From Amy Slagell To Lynn Canfield(privately) : So the number I'm looking at says 700,603. I thought it was supposed to be 717,613

08:56:09 From Lynn Canfield To Amy Slagell(privately) : Oh I see what you mean. I will leave that error in, since it doesn't change their decisions.

08:57:27 From Amy Slagell To Lynn Canfield(privately) : got it. :)

08:57:32 From Lynn Canfield To Amy Slagell(privately) : Thank you for lending your sharp eye!

08:59:43 From Amy Slagell To Lynn Canfield(privately) : 👍
