NEW BUSINESS:

Champaign Community Coalition 2016 Summer Youth Initiative Presentation:

Mr. Tracy Parsons reported on the successful Champaign County Community Coalition's 2016 Summer Youth Initiative. A copy of the presentation was included in the Board packet. Board members were given an opportunity to ask questions and make comments following the presentation.

Organizational Assessment:

A Decision Memorandum authorizing the Executive Director and Presidents of the CCMHB and the CCDDDB to engage a consultant to evaluate the organization and its operations was included in the Board packet. The CCDDDB and CCMHB share administrative services with new leadership. This transition offers an opportunity to improve the organization in deliberate ways. An outside consultant with relevant experience may be best able to integrate input from board members, staff, and stakeholders and recommend specific enhancements and guidance to the Director.

MOTION: Dr. Moore moved to approve the Executive Director negotiating and executing a contract, with approval of the presidents of the CCDDDB and CCMHB, for external evaluation of the organization and its operations. Ms. White seconded the motion. A voice vote was taken and the motion unanimously passed.

Anti-Stigma Event:

A Decision Memorandum on sponsorship of an anti-stigma film and concurrent anti-stigma activities at the 2017 Roger Ebert's Film Festival was included in the Board packet.

The Roger Ebert's Film Festival is the centerpiece of our anti-stigma efforts in Champaign County. Our status as a primary sponsor has grown over the years, reaping increased exposure and media coverage, special attention from Chaz Ebert and festival staff, high-profile concurrent art exhibits, and increased collaboration with alliance members, university students, and community stakeholders in ongoing and future 'pro-inclusion' partnerships. Supports Mental Health, Developmental Disabilities, and Substance Use Disorder community awareness and education.

The total cost for the event/sponsorship was initially anticipated to be \$30,000, divided between the CCMHB and CCDDDB. The CCDDDB share is charged as part of the administrative fee paid under the Intergovernmental Agreement. Total cost is reduced by contributions from Alliance members and ticket sales. In FY16, members contributed \$6,500.

Related Actions to Date: On June 22, 2016, the CCMHB approved “up to \$17,355 as the CCMHB share, contingent on approval of \$12,645 by the CCDDDB, to sponsor an anti-stigma film and concurrent anti-stigma activities at the 2017 Roger Ebert’s Film Festival.” At the July 20th meeting of the CCDDDB, the motion “to approve up to \$12,645 as the CCDDDB share, with CCMHB approved share of up to \$17,355 to sponsor an anti-stigma film” was tabled until new members were seated and a new director hired. A lower sponsorship cost has been negotiated, at \$15,000. The cost of concurrent activities and promotions can be offset by contributions. At their December 14, 2016 meeting, the CCDDDB will decide whether to approve funding for film sponsorship and related anti-stigma activities. If the CCDDDB decides NOT to approve up to \$6,322.50 to sponsor an anti-stigma film and activities, with CCMHB cost to \$8,677.50, the CCMHB may choose to approve the entire cost of sponsorship and activities or not to sponsor a film in the 2017 festival. Board members discussed this anti-stigma effort at length.

MOTION: Dr. Fowler moved to approve up to \$15,000 to sponsor an anti-stigma film and concurrent anti-stigma activities at the 2017 Roger Ebert’s Film Festival. Dr. Robin seconded the motion. A roll call vote was taken. The following members voted aye: Fowler, Palencia, Moore, O’Connor, Rappaport, Robin, Townsend. White voted nay. The motion passed.

Tap In Leadership Academy Contract Amendment:

A Decision Memorandum to authorize an amendment to reduce the Tap In Leadership Academy contract was included in the Board packet. The Tap In Leadership Academy has not implemented the program for which it was awarded a contract by the Board, but they have been receiving monthly payments. The program will not start up until before late January 2017. Communications between Ms. Sally Carter, the agency executive director and CCMHB staff was included in the Board packet and distributed. The amount of the contract award was \$35,000. Five monthly payments have been made to the agency for a combined total of \$14,580. However, a temporary hold has been placed on the December payment pending action on the amendment by the Board.

MOTION: Ms. Palencia moved to authorize staff to issue an amendment to Tap In Leadership Academy contract (MHB17-035) to reduce the contract maximum by 50% from \$35,000 to \$17,500 and adjust future payments as necessary to account for the reduction in the contract award.

Program Summary Format:

Board members are encouraged to contact staff members with any program summary format suggestions or changes.

Staff Report – January 18, 2017 Board Meeting

Summary of Activity

Allocation Process: The online system opened for applications on January 4th for the 2018 allocation cycle. Prior to opening the system, all applications receiving a contract for 2017 were cloned enabling existing grantees to use the prior year's application as a starting point. Instructions were reviewed and minor revisions made prior to posting to the system on January 5th. A technical issue with the new agency registration process was identified and was promptly corrected. Several providers have expressed interest in applying for the first time to the Board. Technical assistance with the system is being provided on request.

Contract Amendment: The amendment to Tap In Leadership Academy contract and cover letter have been completed and hand delivered. The letter addresses the issue at hand and the required revisions to the program and financial forms as well as guidance on compliance with other provisions of the contract. A meeting with Ms. Carter and a financial services representative was held to review the amendment, required action, and status of the agency and program. The Kickback Lounge is schedule to open on Friday January 13th. To start, the program will be open only on Fridays using volunteers. Hiring of staff and expansion to Saturday and Sunday hours will follow once the state approves the 21st Century grant application. This grant will enable the agency to hire staff for an after school enrichment program. CCMHB funds will pay the same staff to work at the Kickback Lounge as well as pay fixed costs.

The contract with EMK Consulting for technical assistance and support to the online application and reporting system has been renewed.

Criminal Justice - Mental Health: The Crisis Intervention Team Steering Committee (CITSC) met in early January. A draft analysis of Urbana Police Department CIT contacts over the last four years was shared with the group. The contacts are broken out by day oy week, month of year, and where recorded, time of day. The data is useful for understanding when high volume periods have been experienced and shifts that have occurred over time in those high volume periods. Also discussed was the ARMS CIT form (draft) that Urbana, Champaign, Rantoul and University of Illinois Police Departments and the Sheriff's Office will use once testing is completed, to track CIT contacts. Eventually this will enable departments to track contacts across jurisdictions. Those present also received an update on the men's emergency shelter and how it can be utilized by law enforcement.

The regular monthly meetings of the Reentry Council and the Crisis Response Planning Committee (CRPC) were pushed back to January 11th. The Reentry Council will have a discuss priorities for the coming year. A draft systems mapping gaps analysis report will be reviewed at the CRPC meeting.

Following the Drug Court graduation at the Urbana Civic Center on December 21st, a wonderful event by the way, the Specialty Court Steering Committee met the Champaign County Courthouse. Champaign County has submitted an application for state certification of the Drug Court program. New state standards were approved last year requiring local drug courts to be

8

certified and meet state standards. Data collection and reporting to the state required under the standards was discussed. Additional information on the nature of the data to be collected and with whom it will be shared is needed to determine if additional consents to release information are required.

Other Activity: Participated in various meetings and other events. On December 13th I attended a press conference held by Champaign County Health Care Consumers about the health insurance open enrollment period, where people can get in-person help with their enrollment, and recap past success in enrollment efforts in Champaign County. The main topic at the United Way Community Impact Committee meeting in January focused on outcome measurement requirements for UW funded agencies and agencies capacity to meet expectations. Related to this topic, the U of I program evaluators are holding logic model training in December and January for CCMHB funded agencies. At the Continuum of Care and Council of Service Providers to the Homeless meeting, plans for a temporary men's emergency shelter were announced. Two churches are working together to provide shelter to up to 30 men a night for the months of January through March.
