For non-board members and staff, please use the Chat area to 'sign-in' with your name and agency affiliation, if any.

17:33:44 From Lynn Canfield : There is an opportunity for Public Participation fairly early in the agenda. Please use the "Raise Your Hand" zoom function, if possible, to indicate that you would like to speak. A staff person will be watching for Raised Hands so that we don't fail to give you the opportunity. Later, during Board discussion, the Board Chair will direct us as to when members of the audience and staff should participate, and we'll keep an eye out for raised hands then too.
