

CCMHB

Champaign County Mental Health Board

In fulfillment of our responsibilities under the Community Mental Health Act, the Champaign County Mental Health Board (CCMHB) presents the following documents for public review:

The CCMHB's Annual Report provides an accounting to the citizens of Champaign County of the CCMHB's activities and expenditures during the period of December 1, 2010 through November 30, 2011.

The CCMHB's Three-Year Plan for the period December 1, 2009 through November 30, 2012 presents the CCMHB's goals for development of Champaign County's system of community mental health, developmental disabilities and substance abuse services and facilities, with One-Year Objectives for December 1, 2011 through November 30, 2012.

Any questions or comments regarding the CCMHB's activities or the county's mental health services can be directed to the Champaign County Mental Health Board; 1776 E. Washington; Urbana, IL 61802; phone (217) 367-5703, fax (217) 367-5741.

CCMHB President's Report

To the citizens of Champaign County, I am pleased present the Champaign County Mental Health Board Fiscal Year 2011 Annual Report. The Board has published an annual report each year since its inception in 1972. The Annual Report provides a public accounting of the Champaign County Mental Health Board's stewardship of local property tax funds as well as presentation of the three year plan. The report details financial data on the revenue and expenses of the Board, contract awards with community based agencies, performance data for each contracted service, and pie charts on consumer demographics and the appropriation of funds.

During the 2011 fiscal year the Board has worked to strengthen agency accountability. An increased emphasis has been placed on financial reporting, particularly submission of an annual audit. In January 2011 the Board adopted an expanded Audit and Financial Accountability policy as an addendum to the standard operating procedures. The policy was driven in part by the continued financial difficulties of the state.

With the passage of the state income tax increase, many who do business with the state believed there was a light at the end of the tunnel only to find it was just another train barreling down the track. The state has continued to cut or eliminate contracts then restore some funding only to cut it again. All the while payments are delayed for months on end. Simply stated, the State of Illinois remains in a budget morass. Locally the ability of the Board to respond to state cuts is hampered by tax caps. Since the tax cap referendum passed the mental health board levy has declined by almost one-third. I mention the impact of tax caps not out of a desire to increase taxes but rather a wish that the existing rate could have been maintained to sustain services and respond to needs that now go unmet because of state funding cuts.

However, there are positive developments that are certainly worth mentioning. The ACCESS initiative has moved from the planning stage to implementation. ACCESS has established service delivery teams that, after extensive training, have begun engaging families. The Parenting with Love and Limits program continues to produce very good results with families who engage and graduate from the program. The Champaign County Drug Court also continues to produce positive results while the new Mental Health Court has just started its journey of changing lives for the better. And then there is the on-going collaboration with the Champaign County Board for Care and Treatment of Persons with a Developmental Disability. The two boards' commitment to collaborate is evident in events like the very successful "Reaching Out for Answers: Disability Resource Expo" and the Champaign County Anti-Stigma Alliance's premier event held as part of Roger Ebert's Film Festival.

Rest assured the commitment of the Board to you the citizens of Champaign County, for prudent management of the funds you have entrusted to us will not waver.

Respectfully,

Dr. Deborah Townsend
CCMHB President

with FY 2012 One-Year Objectives

CHAMPAIGN COUNTY MENTAL HEALTH BOARD

THREE-YEAR PLAN

FOR

**FISCAL YEARS 2010 - 2012
(12/1/09 – 11/30/12)**

WITH

ONE YEAR OBJECTIVES

FOR

**FISCAL YEAR 2012
(12/1/11 – 11/30/12)**

CHAMPAIGN COUNTY MENTAL HEALTH BOARD

WHEREAS, the Champaign County Mental Health Board has been established under Illinois Revised Statutes (Ch. 91-1/2, Sections 301-314, inclusive) in order to "construct, repair, operate, maintain and regulate community mental health facilities to provide mental health services as defined by the local community mental health board, including services for the developmentally disabled and for the substance abuser, for residents (of Champaign County) and/or to contract therefore..."

WHEREAS, the Champaign County Mental Health Board is required by the Community Mental Health Act to prepare a one- and three-year plan for a program of community mental health services and facilities;

THEREFORE, the Champaign County Mental Health Board does hereby adopt the following Mission Statement and Statement of Purposes to guide the development of the mental health plan for Champaign County:

MISSION STATEMENT

The mission of the CCMHB is the promotion of a local system of services for the prevention and treatment of mental or emotional, developmental, and substance abuse disorders, in accordance with the assessed priorities of the citizens of Champaign County.

STATEMENT OF PURPOSES

1. To plan, coordinate, evaluate and allocate funds for the comprehensive local system of mental health, developmental disabilities, and substance abuse services for Champaign County.
2. To promote family-friendly community support networks for the at-risk, underserved and general populations of Champaign County.
3. To increase support for the local system of services from public and private sources.
4. To further develop the systematic exchange of information about local services and needs between the public/private service systems and the CCMHB.

In order to accomplish these purposes, the Champaign County Mental Health Board must collaborate with the public and private sectors in providing the resources necessary for the effective functioning of the community mental health system.

ADMINISTRATION AND ACCOUNTABILITY

Goal #1: Develop policies and procedures to assure fiscal accountability for CCMHB dollars tied to co-funded programs. The primary focus is related to programs which are also funded by revenue from the State of Illinois. Utilize the new web-based application and reporting system to effectively track all objectives pertaining to this goal.

Objective #1: Identify each CCMHB funded contract that budgets state revenue as part of program revenue and develop mechanisms to track the level of state payments during the term of the contract.

Objective #2: Clarify how CCMHB dollars are used in each co-funded contract. Develop policies to assure that reductions in state contract maximums are not supplanted by CCMHB dollars without prior notice or negotiation.

Objective #3: All CCMHB grant contracts that receive State of Illinois funding as part of the total program revenue shall be required to report all staffing changes to the CCMHB on a quarterly basis. At the discretion of the CCMHB, agencies shall provide a full listing of all full, part-time and contractual employees on a quarterly basis.

Objective #4: Require all CCMHB funded agencies to notify the CCMHB of the termination or lay off of employees funded in full or in part with CCMHB funds accompanied by an explanation of the projected impact on consumers access to or utilization of services.

Objective #5: Evaluate risk for loss of co-supported services resulting from state funding reductions.

Objective #6: Monitor payments from the Illinois Department of Human Services (IDHS) to assure adequate cash flow for the ACCESS Initiative.

Goal #2: Prioritize services along the service continuum in response to changes in state funding.

Objective #1: Using a tiered system identify high priority programs (core services and collaborative initiatives) and include as a component of the allocation decision support and prioritization processes.

Objective #2: Realign funding to support high priority programs in response to contract cuts or reserve percentage in state funding.

Goal #3: Maintain program and financial accountability of funded programs.

Objective #1: Monitor fiscal status and identified outcome measures of funded programs to provide consistent and timely assessment of overall program performance.

Objective #2: Develop fiscal monitoring protocol and implement approved written procedures to ensure agencies are complying with guidelines as stated in the contract and funding guidelines.

Objective #3: Develop a protocol for assessment of annual agency audits required by contract.

Goal #4: Continue to maintain low administrative costs in order to maximize the availability of funding to support mental health, substance abuse and developmental disabilities programs and services.

Objective #1: Continue to support the Memorandum of Understanding with the Champaign County Board for the Care and Treatment of Persons with a Developmental Disability.

Objective #2: Maintain existing staff head count by utilizing contractual consultants to assist with technical, administrative and programmatic functions (e.g., assessment of applications for funding, planning, audit protocols and other specialized functions).

Objective #3: Maintain and improve the web based system across all funding sources to streamline the application process, program reporting including collection of client data and assess potential for expansion of such a system for performance measure outcome evaluation.

PROGRAMS AND SERVICES FOR CHILDREN, ADOLESCENTS AND FAMILIES

Goal #5: Maintain commitment to implementation of Parenting with Love and Limits (PLL) for youth and families involved in the juvenile justice system.

Objective #1: Continue collaboration with juvenile justice stakeholders and integration of Quarter Cent for Public Safety and CCMHB funding to support PLL implementation. Monitor PLL evaluation data and determine efficacy in collaboration with stakeholders (i.e., Administrative Team).

Objective #2: Coordinate implementation for Year Three of the SAMHSA Children's Mental Health Initiative Cooperative Agreement for the ACCESS Initiative, as delineated in the SAMHSA application and subject to post-award changes as determined by the Coordinating Council, principle investigators, project director and program staff.

Objective #3: As part of the execution of the SAMHSA Cooperative Agreement, secure assurances from the state of its commitment to the sustainability of the ACCESS Initiative.

Objective #4: Prioritize funding cultural competence staff and/or consultation as delineated in the SAMHSA application. Continue to track agency progress on implementation of cultural competence plans and support efforts to address issues raised in the Surgeon Generals' Report Mental Health: Race, Culture and Ethnicity.

Objective #5: Support integration strategies with juvenile justice stakeholders to assure alignment of Quarter Cent for Public Safety funded programs with implementation of the ACCESS Initiative.

Goal #6: Broaden scope of program performance evaluation activities.

Objective #1: Utilize the Quarter Cent Administrative Team as a resource to conduct oversight of CCMHB and Quarter Cent for Public Safety Fund supported juvenile justice involved program operations and performance.

Objective #2: Participate in the planning and implementation of the Juvenile Research Center study (of Parenting with Love and Limits) of performance outcomes for the CCMHB/Quarter Cent funded PLL program.

Objective #3: As part of the implementation of the SAMHSA Cooperative Agreement, collaborate with the University of Illinois in the ACCESS Initiative evaluation.

COMMUNITY ENGAGEMENT & ADVOCACY

Goal #7: Reduce the stigma associated with mental illness, substance abuse and developmental disabilities by sponsoring projects and events designed to address discrimination related to stigma, as well as to promote acceptance, dignity, and social inclusion.

Objective #1: Promote, fund, participate in and sponsor the Disabilities Expo and the Roger Ebert Film Festival in order to improve disability awareness, increase inclusiveness, improve community acceptance, and reduce stigma and discrimination. Use these events to energize community support for funding for disabilities programs and services.

Objective #2: Encourage consumer and advocacy group community education efforts to reduce stigma and coordinate with ACCESS Initiative social marketing activities as feasible.

Goal #8: Advocate for positive change in state funding and policy decisions affecting the local system of care for persons with mental or emotional, substance abuse disorders or developmental disabilities.

Objective #1: Support, through active participation in the Association of Community Mental Health Authorities of Illinois (ACMHAI), the National Association of County Behavioral Health and Developmental Disabilities Directors, the Illinois Council on Developmental Disabilities, the Illinois Association of Rehabilitation Facilities (IARF), the ARC of Illinois, the Illinois Alcohol and Drug Dependence Association (IADDA), the Community Behavioral Health Association (CBHA), and other appropriate bodies efforts to strengthen the local systems of care.

Objective #2: Collaborate with the ACCESS Initiative to promote effective methods to engage consumer groups, families, and youth in advocacy.

Goal #9: Maintain an active needs assessment process to identify current issues affecting consumer access, treatment and recovery.

Objective #1: Continue to assess the impact of state funding reductions on consumer access to care and provider capacity.

Objective #2: Participate in other county-wide assessment activities to ensure CCMHB target populations are represented.

RESOURCE DEVELOPMENT & COLLABORATION

Goal #10: Collaborate with the Champaign County Board for Care and Treatment of Persons with a Developmental Disability on co-funded programs.

Objective #1: Continue integration strategies to assure alignment between the CCMHB funded developmental disability programs and services and Champaign County Board for Care and Treatment of Persons with a Developmental Disability. Implement mutually acceptable options for realignment of funding within the developmental disability service continuum.

Objective #2: In response to unilateral financing and eligibility changes by the State of Illinois, develop revenue maximization strategies to assure an appropriate mix of state and local funding and continued availability of services for Champaign County consumers.

Goal #11: Continue to coordinate implementation of Champaign County Quarter Cent for Public Safety Fund grant awards with CCMHB resources serving youth involved with the juvenile justice system.

Objective #1: Continue support for the Memorandum of Understanding with the Champaign County Board to maintain CCMHB management of the Quarter Cent for Public Safety Fund and amend as necessary.

Objective #2: In collaboration with the ACCESS Initiative, strengthen coordination between programs serving youth involved with the juvenile justice system to reduce recidivism.

Objective #3: Assess viability of CCMHB involvement in other juvenile delinquency prevention programs, such as Juvenile Detention Alternatives Initiative, in partnership with the ACCESS Initiative.

Goal #12: Ensure compliance with existing Memoranda of Understanding (MOU), e.g. support initiatives extending from the agreements, and enter into new agreements as may be necessary to respond to local service issues or state funding adjustments.

Objective #1: Review all existing MOUs and enter into negotiations to revise the agreements as necessary.

Objective #2: Continue support for the Champaign County Specialty Courts (Drug Court and Mental Health Court) and involvement in the Champaign County Specialty Court Steering Committee.

Goal #13: Promote new approaches for developing services and reducing operating costs.

Objective #1: Investigate options for leveraging additional resources and realign services as necessary to access such resources.

Objective #2: Promote cooperative relationships between providers that can reduce costs, e.g. Chamber of Commerce Energy Cooperative.

Objective #3: Promote and support use of evidence based practices by funded programs.

Objective #4: As practicable, implement Medicaid claiming (Part 77 & Part 132 in particular), including a redirection of capacity and conversion of fee for service rates to the Medicaid rates as necessary.

Objective #5: Support and assist with affiliations and mergers of providers as a means to streamline the delivery of services and enable administrative cost savings through economies of scale.

Objective #6: Encourage development of collaborative agreements between providers to increase or maintain access and coordination of services for consumers residing in Rantoul and rural Champaign County.
