## **For Immediate Release**

The Champaign County Treasurer's Office made its final distribution of 2020 property taxes today. Roughly \$12.2 million dollars was distributed to approximately 500 Champaign County taxing districts with the interest distribution expected to be distributed the first week of the new year.

The delay in processing the distribution was to allow for additional corrections and to ensure court-ordered withholdings were appropriately distributed to the proper entities.

Combined Settlement Sheets for the taxing districts showing the final distribution breakdown and the interest for each district should be available on the Treasurer's website beginning Monday afternoon. If you require a more detailed breakdown of payments, please email the office at [treasurer@co.champaign.il.us](mailto:treasurer@co.champaign.il.us).
